GREAT PROSPERITY IS REPORTED BY BUSINESS MEN

Conditions In Every Line In Glendale Excellent; Progress Continues

By GIL A. COWAN

MERCHANTS of Glendale today are enjoying the greatest period of prosperity in the history of this city.

Without a clearing house here to register the vast amount of business being done, an official barometer is lacking.

But a cursory investigation will reveal to the most skeptical that conditions are good in every line and detailed reports would further show an unprecedented wave of prosperity sweeping this favored section of the southland.

There is no room for the calamity howler, there is no time now for the pessimist to peddle his propaganda in the face of incontravertible facts.

Here are the statements of six well known business men and these will be followed from time to time by others:

A. G. SPOHR, Druggist—From January 1, 1921, my business has shown an average of 25 per cent increase over every month of last year. I consider this a good indication of what the best merchants are doing. And this prosperous condition exists in spite of the fact that prices have tended to go down which naturally decreases the volume of business.

In a letter received this week from Louis K. Liggett, president of the United Drug company, he says: "I cannot conceive of a time when in the United Drug company's history its business looked any better than it does at this time. Our July business is ahead 23 per cent, even at reduced prices."

ARCHIE PARKER, Grocer—Since the consolidation of the Central Market and Quality Grocery last November our business has doubled in the same floor space. We attribute it to the fact that we are one of the few service groceries in Glendale. And many eastern people coming here who are in the habit of having delivery service become our customers. There are more than 300 families in our regular trade which is growing proportionately with the city.

J. A. ROBINSON, Men's Shop—Our first six months in business, ending August 15, has shown a very substantial gain and the patronage has far exceeded expectations. We have done three times the business that we figured on doing, and today I am writing Wilson Brothers, men's furnishing goods makers at Chicago, that "our store has not found it necessary to resort to prizes, baits or sales, but we attribute our success to having the right goods at the right prices every day."

W. L. MOORE, Irish Linen Store—Our turnover in stock has been larger this summer than ever before, but we would have to sell twice as much of our class of goods to make the same volume of business on account of the decline in the market. However, our patronage is growing steadily which indicates prosperity prevailing.

R. E. DOWNING, Manager of the Western Union—In the face of more stable conditions Glendale as well as all southern California is holding its own in the matter of volume in Western Union's business. There is not $20 difference in comparative months during 1920 and 1921.

FRED DEAL, Manager Pacific Telephone and Telegraph company—Our latest monthly report shows a net increase of sixty-eight connections over thirty-six in the same month last year, or nearly 100 per cent increase. We have to spend $62,000 before January 1 to take care of Glendale's growth north of Broadway.

On account of many merchants being out of town on vacations, or too busy to be interviewed, similar stories will be printed later.

Informal Discussion Before Gateway Club

Last night's informal regular meeting of the Glendale Gateway Club was conducted as an informal discussion of several improvement propositions, no official business being transacted.

The main topics of discussion were those of the widening of Los Feliz road and various other improvements throughout the southern section of the city.

Before adjourning it was decided to hold the next meeting of the club on Thursday night, September 1.

Margaret E. Dick Leaves for North to Become Bride

Miss Margaret E. Dick, daughter of Mr. and Mrs. Samuel Dick, 309 North Louise, who leaves Glendale today for San Francisco, where she will become the bride of Ralph Penland.

Prominent Vocalist, Former Graduate of High School, Will Wed Tomorrow

Miss Margaret E. Dick, who leaves this afternoon for San Francisco, where tomorrow she will become the bride of Ralph Penland, is one of the best known and most popular young ladies in the city. She is the daughter of Mr. and Mrs. Samuel Dick of 309 North Louise street.

Miss Dick, who is a musician of no small degree of talent, received a large part of her preliminary training in the local schools. In June of the year 1908 she graduated from the West Glendale grammar school, now known as the Columbus avenue school, and in the following fall entered Glendale Union high school. During the following year, however, her parents moved to Anaheim and she completed her remaining three years at the Manual Arts high school in Los Angeles, graduating from that institution in 1914.

After staying out a year, Miss Dick again resumed her studies by enrolling in the college of music at the University of Southern California, from which she received her diploma for four years' study in three terms. Not being satisfied with this remarkable record, however, she immediately returned to the university for two additional years of study, at the completion of which she received her master degree.

Musical Instructor.

During her musical course the brilliant young musician was the pupil of Miss Lillian Backstrand, who is one of the Southland's most famous vocalists. Since her grad-

(Coninued on Page 14)

City's Busiest Man Found In James Webb; Here Is Full Proof

"Glendale's busiest man" was discovered by The Glendale Evening News representative while obtaining data on the prosperity of local merchants.

James Webb, proprietor of the Glendale hardware store, 601-603 East Broadway, reports 50 per cent more business the first six months of 1921 over the same period last year. That in view of the fact that his line of merchandise is selling at an average of 25 per cent less.

"July broke all records for volume, exceeding the banner month of November, 1920," said Mr. Webb. "Business here is doing anything but slowing up," he added.

Now about his being the busiest man—and Mr. Webb doesn't boast of it for he's too busy.

While Mrs. Webb and daughter Lois are in Iowa visiting relatives at Epworth, Dubuque and Storm Lake, Mr. Webb and son Dolliver are keeping bachelor hall at their home, 127 West Chestnut street.

In addition to cooking breakfast and dinner the hardware merchant attends to the following:

Forty-four canaries;
Three cats;
Eighty chickens;
One dog;
One million ants.

And then he—

Mows the lawn;
Waters the flowers;
Picks the berries;
And wakes Dolliver every morning.

The last task is the worst, he admits, but he gets the biggest kick out of it.

WATER SERVICE FOR SIERRA DISTRICT IS EXPLAINED

Formal Statement Is Issued by City Council; Tells of Department's Plan

Formal notice of the plans worked out by the city for the supplying of water to the Sierra avenue district, which has under consideration annexation to the city of Glendale, was ordered sent to P. S. McNutt, interested property holder in that territory, by the City Council last night, on motion of Councilman Dwight W. Stephenson.

The matter came before the council in the following communication from T. W. Watson, city manager:

"Pursuant to your instructions of July 28, we have prepared and submit herewith letter addressed to P. S. McNutt in reply to his letter of July 22, addressed to your council, in which he requests that your council advise him as to the ability of the city of Glendale to furnish a water supply for the Sierra avenue district in the event of the annexa-

Vitrified Pipe Will Be Used In Business District Sewer Plan

Sewage disposal system for the business district of Glendale, to be installed under a district plan as already fully outlined in The Evening News, was again before the City Council last night when Councilman C. E. Kimlin made a motion to the effect that vitrified pipe be specified.

"In making the motion that vitrified pipe be used," said Councilman Kimlin, "I wish it distinctly understood that a precedent is not to be established."

The motion was seconded by Councilman S. A. Davis and carried unanimously, Councilman Dwight W. Stephenson, in voting for the motion saying that the understanding being that vitrified pipe was to be used in the business district sewer improvement only and that an example was not to be set for other work that may come up in the future.

"That's the understanding" commented Councilman Kimlin. "The vitrified pipe is to be specified in this unit only."

A week ago last night three firms submitted estimates on the work, being the Pacific Clay Products company, the California Glazed Products company and the Tropico Pottery company.

At that time, Secretary James Rhoades of the local Chamber of Commerce spoke in favor of vitrified pipe, particularly the kind made by the Tropico plant, stating that in his opinion it would be of great advantage to Glendale to patronize the home institution, which has many employees living here and which leaves a large sum monthly in the city.

Officials of the Tropico plant have stated that, in their opinion, their estimate, all things considered, is the lowest and that the improvement proposed should be made by them.

Grand View District and Verdugo Canyon to Get Improvements

Plans and specifications for a sewer trunk line in Municipal Improvement District No. 3, located in Verdugo canyon, were adopted at a meeting of the City Council last night, on motion of Councilman C. E. Kimlin and the city clerk instructed to advertise for bids for materials and their installation. The cost estimated is $31,296.57, to be covered by bonds voted by the district.

Also, the City Council last night, on motion of Councilman Dwight W. Stephenson, adopted plans and specifications for a water distribution system in Municipal Improvement District No. 4, which is in Grand View, and instructed the city clerk to advertise for bids for pipe and fittings and their installation. The cost estimated is $23,169.81.

T. W. Watson, city manager, in making the recommendation to the council relative to the Grand View improvement, said:

"This installation will consist largely of six-inch distribution mains laid on the main streets of the Grand View district and when installed will constitute a complete water distribution system for the district. This does not include service mains. These will be installed by and at the expense of property holders."

The district will pay for the cost of the improvement by a bond issue.

Bids for both improvements will be received September 1, it was decided.

BUSINESS BLOCK TO BE CONSTRUCTED ON SO. BRAND

Elaborate Building Proposed Between Broadway and Harvard, East Side

GROUND WILL BE broken within a few days for the construction of a two story business block for Harry A. Sperl, on the lot owned by him on South Brand boulevard between Broadway and Harvard and which is just south of the Roy L. Kent building and north of the new Chamber of Commerce building which is under construction. This lot has a frontage on Brand boulevard of about fifty-two feet.

The architectural plans call for a most unique store building of the French type, something different from any which has heretofore been constructed in this city.

A picture of it is on display at the office of Endicott & Larson, who have charge of the rentals of space in the new building.

The building will comprise four store rooms on the main floor and ten office rooms on the second floor. There will be a large patio in the front of the building both upstairs and down. The entrance to all four stores and the entrance to the second floor will be from the patio.

Mr. Endicott stated that the completion of this new business block will mark another step in the progress of Glendale.

Mr. Sperl, owner of the lot and who is having the new building con-

(Continued on Page 3.)

Madame Linne Honor Guest at Luncheon by Mrs. F. A. Webb

Mrs. Frankie A. Webb of 303 North Louise street, was hostess Thursday at a most exquisite luncheon served in the blue and gold sun parlor of the Annandale Country club in honor of Madame Linne, a Norwegian musician who has been teaching at the American Conservatory of Music at Chicago, and is spending the summer in Los Angeles. Mrs. Webb was one of her former pupils.

The blue and gold color scheme of the room was carried out on the dainty luncheon table, where daisies and bachelor buttons brightened the table and, postal views of Norway were used as place-cards. A delicious four-course lunch was served, covers being laid for Miss May Orcutt, a well known pianist of Los Angeles, Miss Florence Middaugh, a soprano of unusual charm and talent who is coaching under Madame Linne, Mrs. Ella W. Richardson, Mrs. Alex Mitchell, Mrs. Helen Sawyer, Mrs. Wait, the guest of honor and the hostess.

Following the lunch the ladies gathered in the music room where Miss Middaugh favored them with several very delightful selections. Madame Linne had not brought her music with her but charmed the guests by singing one of the beautiful Norwegian folk songs she loves so dearly.

Later in the afternoon the party motored back to Glendale and were met at the door of Mrs. Webb's home by little Barbara Sawyer, the granddaughter of the hostess, dressed in a Norwegian costume brought from Norway by Mrs. Webb in 1912. Henry Sawyer also assisted in receiving the party, who spent the remainder of the evening enjoying Mrs. Webb's collection of Norwegian souvenirs, and hearing Madame Linne again sing one of the beautiful peasant songs.

Mrs. Harry Chase Is Hostess R. T. W. Class

The R. T. W. class of the First Baptist church held its regular meeting Tuesday afternoon at the home of Mrs. Harry Chase, 1470 East Wilson avenue. A short business session was held and talks were made by Mrs. Jennie Doxsee, teacher of the class; Mrs. Arnold, who has recently moved to Glendale from Long Beach; and Mrs. Johnson of Bakersfield, who has been visiting her sister Mrs. Clarence Kalbaugh. Little Margaret Chase sang some of her delightful songs. A social hour was then enjoyed and refreshments of ice cream and cake were served. There were about thirty ladies present. Decorations of dahlias and other summer flowers were used.

Doris Magarrell Wins First Bicycle From Evening News, Proving Pluck and Work Pay

Photo by Ralph W. Brown

Doris Magarrell, age 14, of 819 South Glendale avenue, the first to win a bicycle from The Glendale Evening News. Her story of how she did it will appear tomorrow. Miss Doris is pictured with the bicycle awarded her by this paper. And doesn't she look happy!

Starts Late In Race But By Steady Effort Quickly Secures Fine Wheel; Others Are Finding It Easy To Obtain New Subscriptions

WELL, BOYS, you're bested—but have a heart and a hope and a grim determination. Doris Magarrell won the first $65 Harley-Davidson wheel given away in The Glendale Evening News Bicycle Subscription club. She is 14 years old and resides at 819 South Glendale avenue.

Here is a story of pluck, for besides helping at home and attending summer session at the Intermediate she devoted every waking hour in the afternoons and evenings to working for the prize given her yesterday afternoon by the Glendale Evening News.

Thursday was quite an auspicious day in the Magarrell home, too, for it was the eighth birthday of Doris' sister. As a belated gift, Miss Doris hopes to give her little sister a wheel similar to the one she won.

This means that she is still competing with the boys and girls racing for other bicycles to be given away before September 1. She realizes what an easy task it is to win the coveted prize equal to $65 in cash.

Tomorrow Miss Magarrell will write of her experiences and tell you how she "crossed the tape" first, although among the last to start. Read it in The Glendale Evening News.

And in the meantime, boys and girls, remember that The Evening News has a number of other bicycles to give away to workers. It's not too late to enlist in the bicycle club today.

Today's World News In Brief

(By United Press to Glendale Evening News)

REDUCTION OF U. S. ARMY TO 100,000 IS PROPOSED

WASHINGTON, Aug. 5.—Reduction of the army to 100,000 men is provided in a resolution introduced today by Senator Borah of Idaho.

ENTIRE LIST OPENS HEAVY ON NEW YORK EXCHANGE

NEW YORK, Aug. 5.—The entire stock list opened heavy here today. The effects of yesterday's declines continued to be felt and the downward trend was more widespread.

CALL TO CONFERENCE IS AWAITING ALL OF ANSWERS

WASHINGTON, Aug. 5.—The formal call for the Washington disarmament and Pacific conference will be issued as soon as replies have been received from all the powers to the American proposal that the conference open on November 11, it was announced authoritatively today.

PATTERSON AVENUE OPENING HALTED; FIND ERRORS

Proposed Improvement Can't Proceed, Is Decision of City Attorney Shaw

ABANDONMENT of the present proceedings for the opening of Patterson avenue, under way for the past year or more, was ordered at the meeting of the City Council last night when Hartley Shaw, city attorney, filed a written opinion in which he states, in effect, errors in the resolution of intention are sufficient to invalidate the proposed improvement.

The city attorney stated that the defects involved matters of surveying rather than of law.

"The opinion of the city attorney is received with great regret by the council," said Councilman Dwight W. Stephenson.

The estimate was made last night that if the proposed improvement is again started, it will take several years to complete it, owing to the fact that all of the steps taken in the past year or more are lost.

The opinion of the city attorney follows in full:

"When I took office as city attorney one of the first things I had to do was to begin an action for the opening of Patterson avenue. After this action had been brought and service had been had upon the defendants one of them filed an answer in which he alleged that the description of the land to be taken in the ordinance of intention for this improvement did not describe anything and was meaningless and also that the description of the assessment district was void on account of uncertainties. Upon receiving this answer, I referred the matter back to the city engineer, as it involved matters of surveying rather than of law, and after considering the matter he stated that he thought the descriptions were defective. I went into the matter carefully with him and discovered that there are a number of defects in the description. I have since discussed them with another engineer and he confirms the opinion that the description of the land to be taken is uncertain and does not locate any land. It is essential that an ordinance of inten-

(Continued on Page 13)

Pair of Educated Ducks Are Beheaded by Thief After Soup

The most wonderful pair of ducks in the world are dead. They were beheaded by thieves last night who made away with the fowl for duck soup.

Such is the sad story told the Glendale police this morning by Miss Hazel Linkogel, 21 and pretty, who resides at the home of her sister, Mr. and Mrs. C. J. Curran, 560 West Riverdale drive.

Miss Linkogel, who is a violin teacher, had the ducks in training for the movies. They were of the White Pekin variety and were so well trained that they would answer their own names.

One was called "Lady Michelena" and the other "Sir Francis Drake."

Miss Linkogel is literally heartbroken over the loss of her pets and no thief would have caused the grief had he know it was educated ducks he was stealing.

E. U. Emery Home Is Dinner Party Scene

Mr. and Mrs. E. U. Emery of 329 North Kenwood street entertained as their guests at a four-course dinner last evening Mrs. Harold Latter of Oakland, Mr. and Mrs. C. D. Lusby, Mr. and Mrs. Owen C. Emery, Jack Emery, Mr. and Mrs. E. U. Emery, Waunita Emery, Olive Belle Emery, Josephine Emery and Gilbert Emery. Table decorations of hydrangias and greenery were used.

Miss Ruth Rombeau and C. Wagner Wed

Ruth Rombeau and Curtney Wagner, both of Glendale, surprised their many friends by quietly slipping into Los Angeles yesterday and getting married. They were accompanied by N. H. Diard, Miss Leona Price and Miss Grace Tower. Mr. and Mrs. Wagner will make their home in Glendale.

Landing of Pilgrims Will Be Celebrated

The members of the Massachusettes state society of Southern California are making elaborate preparations for their celebration of the landing of the Pilgrims, which is scheduled to take place on Saturday afternoon at Sycamore Grove. The gathering will be staged in conjunction with the big celebration that is being held this week at Plymouth, and an appropriate program has been arranged for the occasion.

Activities will start at two o'clock, when the principal address of the day will be given. The remainder of the afternoon will be devoted to music and various athletic events. At 5 o'clock basket picnic suppers will be enjoyed, after which several brief speeches will conclude the program.

BIRTHDAY ANNIVERSARY

A lawn party was given at the home of Mrs. E. Rumble, 111 North Central avenue, yesterday afternoon in celebration of the fifth birthday anniversary of Sara Frances Baker. Out-of-door games were played and refreshments of ice cream and cake were served from tables set on the lawn. The guests included Ruth Leeds, Willard Leeds, Raymond Leeds, George Brewster, Esther Brewster, Maude Edwards, Mavis O'Connor, Dorine O'Connor, Frances O'Conner, Virginia Crane and Helen Crane of Los Angeles, Helen Daniels and Sara Frances Baker. Mrs. Rumble was assisted in entertaining the little flok by Mrs. H. L. Baker.

CELEBRATES BIRTHDAY

Miss Margaret Robinson of 1328 Lorrain street celebrated her fifteenth birthday yesterday at a party in the evening. Many useful gifts were received from the numerous guests in attendance.

TAKEN ILL ON TRIP

Mrs. W. L. Van Arsdol of 435 Pioneer drive is reported ill in a sanitarium at La Jolla. Mr. Van Arsdol of Kelly & Van Arsdol, realtors, left with her several days ago on a vacation trip which was marred by her illness.

ALWARD J. POTTER DIES

Friends in Glendale have received word of the death in Utica, N. Y., of Alward Jesse Potter on July 26, 1921, age 73 years. Mr. Potter was formerly a resident of Glendale.

BABY GIRL ARRIVES

A nine pound baby girl was born Wednesday to Mr. and Mrs. Carl Hooker of this city. Mr. Hooker is employed by the Jewel Electric company.

swam around Manhattan Island, forty miles, in less than sixteen hours. In 1915 another woman performed this feat in eleven hours and thirty-five minutes.

Locals and Personals

A. H. Gaarder and son, Howard, of 126 West Garfield avenue leave Saturday for two weeks' camping in the Yosemite valley.

Mr. and Mrs. O. H. Bellew of 315 Ivy street spent last week at Balboa Beach. Mrs. Reuben George was their guest for the week.

Miss Ruth Wadsworth of Hollywood was a guest of Miss Margaret Sharpe of 1141 East Elk avenue, Thursday and Friday of this week.

Mrs. Elizabeth Lowe of Canton, Ohio, was the dinner guest Wednesday evening at the home of Mr. and Mrs. W. E. Welz of 526 West Broadway.

Mrs. J. H. Gewinner and little daughter, Annabelle, of 1134 North Campbell street left Thursday for a week's visit at the orange grove of Mr. and Mrs. G. E. McClain, near Glendora.

Mrs. R. L. Holland of 209 Arden avenue entertained Wednesday at a very dainty luncheon. Covers were laid for Mrs. E. T. Sherer, Mrs. Earl Odell, Miss Betty Burckhart and Mrs. Knox.

Mrs. Charles Hutton and son Robert of Newton, Kansas, are visiting in southern California and spending part of their time at the home of Mrs. E. M. Hagen, 1101 South Glendale avenue.

Miss Myrtle Billings, who has been the house guest of Mrs. Henry Roeder of 344 North Maryland avenue for the past two weeks, left Wednesday morning for her home in Paso Robles.

Mrs. Anna Swiler, formerly of Beatrice, Nebraska, now living at Culver City, is visiting in Glendale this week at the home of Mrs. Charlotte Cady and Miss Martha Cox, 624 South Central avenue.

Miss Murray Longley of 431 West Harvard street leaves this evening for Hermosa Beach where she will spend the week-end as the guest of Miss Madeline Love of Glendale, who is spending the summer there.

Word has been received from Mr. and Mrs. J. F. Hearnshaw and their party who left last week for the Big Sequoias relating their safe arrival after many thrilling experiences on the steep grades and dangerous turns of the road.

Mrs. Pierre Jackson and little daughter, Marjorie, of New Orleans were visitors Wednesday in the home of Mrs. Bert Spears of 718 East Acacia street. Mrs. Spears and Mrs. Jackson were friends when both lived in Morrison, Illinois.

Plans for the coming year's work will be discussed at the special meeting of the Glendale Federation of Parent-Teacher association which has been called for 2:30 o'clock next Wednesday, August 10, at the home of the president, Mrs. John Robert White.

A party of Glendale young people who leave Saturday for a week at Catalina Island includes Miss Olive Svenson, Miss Louise Dair, Miss Mabel Gaarder and Miss Mildred Svenson. Mrs. Ella A. Svenson of 155 South Pacific avenue will chaperone the party.

Miss Myrtle Hyland of Chicago, who has been a house guest at the home of Mr. and Mrs. F. H. Vesper of 321 East Lomita avenue, entertained with a luncheon at a Los Angeles tearoom Wednesday. Guests included Mrs. F. H. Vesper, Mrs. E. R. Naudain and Miss Louis Naudain.

Mrs. Wayne Frank of East Cypress street was hostess Thursday night at a family dinner in honor of the birthdays of her husband and her father, Dave Flanders. A number of relatives who live in Glendale were her guests and following the dinner a pleasant social evening was spent.

Mr. and Mrs. Charles H. Sanders and daughter Ethel of 1320 North Brand boulevard, leave Sunday morning for a two weeks' outing at Big Bear lake. They have purchased two lots at the resort and will make plans during their stay for the cabin they propose to build there in the spring.

Dr. and Mrs. J. D. Camerer of 311 West Garfield avenue entertained as their dinner guests Tuesday evening Mrs. Frank Loose and daughter, Mrs. Jennie Loose Allen of Long Beach. Mrs. Allen is a talented writer and was in Los Angeles on business Tuesday looking after her latest book which is now being published.

Mr. and Mrs. W. W. Plumb and family, who have been visiting Mr. Plumb's mother, Mrs. W. T. Plumb of 343 Milford street have moved into their new home at 428 West Myrtle street. Mr. and Mrs. Plumb were formerly of Bishop, Texas, but came to southern California last December and after visiting in various cities chose Glendale as their home.

A. E. Eckelberger of 376 West California avenue returned Thursday from a three-day trip to his ranch near Bakersfield. The weather was fine throughout the journey and he reports that the ranches in Kern county are in splendid condition. Mr. Eckelberger has an alfalfa ranch, but is putting in a few acres of grapes. A great deal of land in that vicinity is being put into grapes as they grow unusually well in that climate.

Locals and Personals

Mrs. Eva J. Cunningham of 114 North Orange street has been confined to her home on account of illness.

Mr. and Mrs. S. A. Frazee of 211 Milford street left today for San Diego where they will spend the week-end.

Elwood Ingledue of North Central avenue is enjoying a week's vacation from his duties at the Glendale Market.

Mrs. Mary Cox of Long Beach, formerly of Glendale, is the guest for several days of Mrs. J. H. Orth of 153 South Central avenue.

Mrs. M. McGrann of Los Angeles is the house guest for the present at the home of her sister, Mr. and Mrs. L. Delonco of 1018 Florence place.

Mr. and Mrs. D. Ripley Jackson of 1800 South Brand boulevard entertained with a dancing party Wednesday evening in honor of Miss Grace Champlin of Chicago.

Mr. and Mrs. C. C. Maag and children of Burbank were the guests of Mr. Maag's aunt, Mrs. Henry Roeder of 344 North Maryland avenue, Thursday afternoon and evening.

Mrs. J. H. Orth and daughters Hettie and Marcella of 153 South Central avenue and Miss Irene Whittaker returned yesterday afternoon from a week's vacation at Ocean Park.

Mrs. H. B. Miller and two children, Jean and Barbara, of 434 Burchett street, accompanied by Miss Pauline Hooker, spent Wednesday in Los Angeles, where they were the guests of Mrs. Miller's sister-in-law, Miss Nellie Miller.

Miss Margaret McPherson of North Central avenue, Miss Delia Young of 528 West Doran street and Alexander McPherson are leaving today for Catalina Island, where they will spend the next two weeks fishing and swimming.

Mrs. H. T. Haddock, who recently rented her home at 1018 North Louise street to Mrs. J. C. Ray, is spending the summer on her ranch near San Bernardino. She sends word that it is not as warm there as she expected and she is enjoying ranch life very much.

Mrs. John Robert White and son Gordon of 325 North Orange street, who have been spending the summer at Hermosa Beach, were in Glendale yesterday on business. Mrs. White states that her son Kenneth, who has been quite ill for some time, is much better and is now able to walk around.

Mrs. A. R. Hildreth of 417 Milford street, and sister, Mrs. G. S. Cronkhite of Los Angeles, who has been her house guest for some time spent several days the fore part of the week as the guests of another sister, Mrs. G. B. Burbach, of Beverly Glenn. They will also spend the week-end at her home.

Mrs. M. Gannon of 318 West Colorado boulevard had as her guest Thursday Miss Julia Bereka from the nursing staff of the Bonnie Brae hospital. Mrs. Gannon's house guests, Mr. and Mrs. W. J. Fikes of St. Louis, are spending a few days at Catalina Island, accompanied by Gertrude and Joe Gannon.

George Perry, Jr., is the name of the recent arrival at the home of Mr. and Mrs. George Perry of Pasadena. The mother will be remembered by graduates of Glendale Union high school as Geneva Lang, daughter of Mr. and Mrs. Leo Lang of Tujunga. The young man arrived on the birthday of his maternal grandfather who was busy fighting a brush fire in the Verdugo hills.

Word has been received from J. B. Cunningham, who hurriedly left this city several weeks ago to visit his mother who was reported to be critically ill, saying that he has reached his destination at Gainesville, Tex., and will return to Glendale soon. His mother's condition is much improved, and she is expected to be entirely recovered from her illness within a few weeks. Mr. Cunningham, who has lived in this city for the last year, is an employee of the Glendale market of East Broadway.

R. M. Smedley of 443 Riverdale drive returned on Wednesday from Catalina Island, where he had enjoyed a week with friends. He is now making preparations to leave next week for an extended trip to the northwest, on which he will make his chief destination Vancouver, British Columbia. During his vacation, which will last about six weeks, Mr. Smedley will stop at Portland, Seattle, Tacoma and other points of interest. The first half of the trip will be made via train, while the return will be on a boat. Mr. Smedley plans to return to Glendale about October 1.

Mrs. Mary E. Smith of New York City, who with her daughter Beatrice has been the house guest for the past ten days of her brother-in-law and sister-in-law, Mr. and Mrs. William Smith of 328 West Lomita avenue, liked Glendale so well that she purchased a home at 700 South Columbus avenue, corner of Maple street, a week after her arrival in this city. Mrs. Mary E. Smith and daughter moved into their new home yesterday. Mrs. Mary E. Smith visited Mr. and Mrs. William Smith in this city five years ago.

Dog Rides Herd on Chickens; Keeps 'em From Neighbor's Yard

Mr. and Mrs. Dan Tracy and Miss Lillian Tracy of 302 North Isabel street, were Sunday guests at the Baumgartner ranch at Tujunga and have a most interesting "dog" story to relate. The dog in question is named "Lady" and is part collie and part bulldog and was a former pet of Miss Lillian Tracy, but on account of having to keep it chained up in the city they disposed of it to the Baumgartners.

Mrs. Baumgartner has trained the dog to keep watch and guard a brood of thirty little orphan chickens, and it is proving to be as good if not better as a mother than their real mother would have been.

Whenever the little chickens stray into the neighbors' yard or into the lettuce patch "Lady" prods them with her nose and sees that they return to their own domain.

Wonder Wear — A KORITE PRODUCT

When you hear of great discoveries in electricity, medicine, and mechanics, you wonder why science doesn't do something to help you **every day** in your life, such as making shoes wear longer.

That is just what has happened. **Science offers you WonderWear.**

About a year ago thousands of newspapers and magazines announced that Fred A. Howard, the New England scientist, had discovered a new basic product which restored and preserved the original life of leather. Since then this new fluid, now named WonderWear, has been used on many thousands of pairs of shoes, of all kinds of leather, worn under all conditions, and in many climates, and the result is always the same

—the wearing quality of the shoes is greatly lengthened, they are permanently made delightfully comfortable, and this remarkable change, accomplished by the single treatment with WonderWear, does not prevent the shoes from taking the usual shine.

Some day the size of your family's shoe bill will lead you to buy and use WonderWear. Do not feel that you risk anything. WonderWear radically **improves** leather, so cannot injure your shoes—and if you do not agree that WonderWear does exactly those unusual things claimed for it—your money will be returned to you.

You could have saved many, many dollars that you spent for shoes last year, if WonderWear had then been available to you. Today it is, why not begin that saving **now?**

Korite Products, Inc., 91 Bedford Street, Boston, Massachusetts

LOS ANGELES SALES OFFICE, 908 SECURITY BUILDING

If your dealer doesn't yet carry WonderWear, we will send you a standard size can (enough for four pairs) for 50c. WonderWear is sold by drug, hardware, shoe, housefurnishing, sporting goods, luggage, department and grocery stores.

Names of Dealers handling WonderWear will appear next week

Mrs. F. Matthiesen's Home Scene of Party

The J. O. C. class of the First Methodist church enjoyed a delightful social gathering at the home of Mrs. Frank Matthiesen, 721 East Windsor road Thursday night. The affair was staged on the lawn, dozens of Japanese lanterns adding color and beauty to the scene. The assisting hostesses were Mrs. Alyce Payne, Mrs. Lydia Rheberg, Mrs. Irma Nicholaus, Mrs. Frank Kerne and Mrs. John Wilson, and twenty-seven members of the class attended. The evening was devoted to games and a short business meeting was held at which a committee was appointed to nominate officers for the coming year. Dainty refreshments were served at the close of the evening's pleasure.

Wasps' nests are said to take fire very often because of chemical action of the wax on the material of the nest itself. This might explain some mysterious fires.

Mrs. Harry Powers, Jr., Is Bridge Club Hostess

Mrs. Harry Powers, Jr., of 128 South Isabel street, entertained the Wednesday Afternoon Bridge club with a delicious three-course luncheon on August 3. An artistic bowl of pink asters centered the table and place cards and tally cards were attractive handpainted colonial ladies. Following the luncheon a business meeting was held and an invitation was extended to the members of the club by Mr. and Mrs. Harry H. Parker for a supper-dance at their cabin in the Arroyo Seco on August 17. Very enthusiastic bridge playing was enjoyed during the afternoon, Mrs. Frank George held high score.

The members present were Mesdames C. G. Putnam, Charles Meadows, Frank George, E. E. East, Robert Pease, Charles C. Carroll, F. J. Rogers, G. H. Robinson. Guests were Mrs. Laura Carroll of Exeter, Calif., and Mrs. Campbell of Glendale.

ORDINANCE NO. 464

AN ORDINANCE PROVIDING FOR THE MAKING OF SEARCHES OF CITY RECORDS OF THE CITY OF GLENDALE AND CERTIFICATES OF THE RESULTS THEREOF, AND FOR THE COLLECTION OF FEES THEREFOR.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GLENDALE:

Section 1—Any person desiring to have a search made of the City records of the City of Glendale for the purpose of ascertaining whether said records show the existence of liens against any real property may make application to the City Clerk, describing the real property as to which such a search is desired, and accompanying such application with the fee for such search, as hereinafter provided. Upon receipt of such application and fee, it shall be the duty of the City Clerk to search the records in the several offices of the City of Glendale and ascertain therefrom whether such records show the existence of any liens for city taxes, street or other local assessments, street improvement bonds, or other matters, against the real property described in such application, and to make and deliver to the applicant under his hand and the seal of the City of Glendale a certificate of the result of such search.

Section 2—The City Clerk shall charge and collect for each such search made by him a fee of $1.00. All fees so collected by the City Clerk shall belong to the City of Glendale and shall be paid by him into the city treasury daily.

Section 3—The City Clerk shall certify to the passage of this ordinance and cause the same to be published once in the Glendale Sentinel-Progress, a weekly newspaper of general circulation published and circulated in said City, and it shall take effect on the thirtieth day after its passage.

Passed by the Council of the City of Glendale this 4th day of August, 1921.

SPENCER ROBINSON,
Mayor of the City of Glendale.
Attest: J. C. SHERER,
City Clerk.

State of California, County of Los Angeles, City of Glendale:

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing ordinance was passed by the Council of the City of Glendale on the 4th day of August, 1921, by the following vote:

Ayes—Davis, Kimlin, Lapham, Robinson, Stephenson.
Noes—None.
Absent—None.

J. C. SHERER,
City Clerk.

CELEBRATE AT SUNLAND

Sunland is celebrating today. It is the anniversary of the day the citizens of the valley won their fight with the federal government for Monte Vista park. L. T. Rowley and James M. Rhoades, secretary of the local Chamber of Commerce, will be among the motor parties going there late this afternoon for a picnic dinner.

ORDINANCE NO. 461

AN ORDINANCE REGULATING AND LICENSING THE BUSINESS OF CARRYING PASSENGERS FOR HIRE IN MOTOR VEHICLES IN THE CITY OF GLENDALE.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GLENDALE:

Section 1. For the purposes of this ordinance the following terms shall have the meanings here given to them.

The term "taxicab" shall mean and include every motor vehicle used in the business of carrying passengers for hire, which is rented from a public or private garage or any fixed stand or location, either by telephone call or otherwise, and the destination and route of which are under the control of the passengers or passenger being carried therein.

The term "motor bus" shall mean and include every motor vehicle used in the business of carrying passengers for hire which receives and discharges passengers along the route traversed by it; but shall not include a street or inter-urban railway car, a hotel bus, a sight-seeing bus, or a taxicab as above defined.

The term "owner" shall mean and include every person, firm or corporation owning or controlling any motor bus or taxicab.

The term "driver" shall mean and include every person in actual charge and control of any taxicab or motor bus as the driver thereof.

Section 2. It shall be unlawful for any owner to operate, or cause to be operated, any taxicab or motor bus owned or controlled by such owner, in the business of carrying passengers for hire, unless such owner has obtained a permit and a license so to do, as herein provided, and such permit and such license are in full force and effect.

Section 3. Any owner desiring to obtain the permit required by Section 2 hereof shall make application therefor to the Council. Each such application shall be accompanied by the bond or policy of insurance hereinafter required, shall be in writing, and shall set forth the following:

1. The name, age, and business address and residence of the applicant, if a natural person; or if a corporation, its name, date and place of incorporation, and the names of its principal officers; or if a partnership, association or unincorporated company, the names of the partners, or of the persons comprising the association or company, with the place of business and residence of each such partner or person.

2. A description of each motor vehicle which the applicant proposes to use, giving type of each vehicle, the name of the manufacturer thereof, the horse-power, factory number and state license number of each vehicle, and the seating capacity thereof according to its trade or factory rating, or if a truck the actual carrying and seating capacity thereof.

Section 4. If the application referred to in Section 3 hereof is for a permit to operate a taxicab or taxicabs, it shall also set forth:

3. The street number and exact location of the places or place where the applicant proposes to stand each such taxicab; and

4. A schedule of the rates of fare to be charged for carrying passengers in such taxicab or taxicabs.

5. If the proposed stand of any taxicab is in a public street, said application shall be accompanied by the written consent thereto of the occupant of the ground floor of any building in front of which such stand is to be located, or if there be no such occupant, by the written consent thereto of the owner or lessee of such building, or if such proposed stand is not in front of any building, by the written consent thereto of the owner or lessee of the lot in front of which such stand is proposed to be located.

Section 5. If the application referred to in Section 3 hereof is for a permit to operate a motor bus or motor busses it shall also set forth:

3. The route or routes along which it is proposed to operate such motor bus or motor busses; and

4. The rates of fare to be charged for carrying passengers in such motor bus or motor busses.

Section 6. Upon receipt of any application referred to in Section 3 hereof, the Council shall refer the same to the Chief of Police for investigation, and may after investigation grant the same unless it shall appear to the Council:

1. That the bond or policy of insurance hereinafter required has not been furnished, or that the same is not in the form required, or that the surety thereon is not approved by the Council; or

2. That any vehicle described therein is inadequate or unsafe for the purpose for which it is to be used, or is not equipped as herein required; or

3. That the applicant has not complied with all the terms and conditions of this ordinance; or

4. In case of an application for a taxicab permit, that the location of any proposed stand as therein stated is such as to congest or interfere with travel on any public street or the use of any public street by the public, or is prohibited by any ordinance of the City of Glendale; or

5. In case of an application for a motor bus permit, that the proposed route or routes therein described would congest or interfere with travel on any public street or the use of any public street by the public, or that any of said proposed routes are already adequately supplied with transportation facilities.

In the case of an application for a motor bus permit, the Council may grant such permit for a different route or routes, in whole or in part, from that described in the application, which different route or routes shall be described in the order granting such permit.

Section 7. The route of any motor bus may be changed with the consent of the Council. A written application for such consent shall be filed, and heard and determined in the same manner as an original application made under section 3 hereof.

Section 8. Any person, firm or corporation carrying passengers for hire in any motor vehicle in the City of Glendale shall obtain a license therefor and pay to the City of Glendale the license fee provided for by ordinance or ordinances of the City of Glendale providing for licenses. Said license shall be issued in the same manner provided by ordinance for other licenses of the City of Glendale, but not until a permit for the use of such motor vehicle has been obtained as provided in this ordinance.

Section 9. It shall be unlawful for any driver to operate or drive any taxicab or motor bus unless the owner thereof has obtained a permit and license therefor as herein required, and such driver has obtained a driver's permit as herein provided, and both of said permits and said license are in full force and effect. Any person desiring to obtain such driver's license shall make written application to the Council therefor, setting forth his name, age, and residence, his last previous address, and the length of his residence at each and in the City of Glendale; whether he is married or single; the name of the owner of the motor vehicle he proposes to drive and a brief description of such motor vehicle; and the names and addresses of two residents of the City of Glendale who are acquainted with him. The Council shall cause an invsetigation of said application to be made and shall cause the applicant to be personally examined as to his knowledge of the laws and ordinances regulating the operation of motor vehicles and his ability to operate a motor vehicle safely on the streets of the City of Glendale. Said application shall be granted by the Council except in the cases hereinafter prohibited. No driver's permit shall be granted to any person who is not of good moral character, or is under the age of twenty-one years, or cannot speak the English language sufficiently to deal with passengers, or who is not sufficiently acquainted with the laws and ordinances regulating the operation of motor vehicles, or is not competent to operate such motor vehicle safely on the streets of the City of Glendale, or who has been convicted three or more times of a violation of any law or ordinance regulating the operation of motor vehicles.

Section 10. Any permit granted to an owner for the operation of a taxicab or motor bus, and any driver's permit issued under this ordinance, may be revoked by the Council for any violation of the provisions of this ordinance by the holder of such permit, or for the existence of any state of facts which would have been a good reason for denying such permit when applied for, whether such state of facts existed at the time application was made for such permit or not. Before any such permit is revoked notice shall be given to the holder thereof, if he can be found in the City of Glendale, and he shall be given an opportunity by the Council to oppose such revocation and a hearing in the matter.

Section 11. Any owner having a permit for the operation of a taxicab or a motor bus may substitute another motor vehicle for that for which the permit was granted, but before doing so shall obtain and file with the City Clerk the consent of the surety on his bond or the insurer on his policy of insurance to such substitution. No such substitution shall continue longer than seven days unless a permit shall be obtained from the Council for the operation of such substituted motor vehicle, in the same manner or provided herein for an original owner's permit.

Section 12. Every taxicab and every motor bus shall at all times be equipped with the following:

1. A light of not less than two candle power within such vehicle, so arranged as to illuminate the whole interior thereof back of the driver's seat, which light shall be kept constantly lighted at all times while any passenger is in such vehicle, from one-half hour after sunset of any day until one-half hour before sunrise of the next day.

2. A speedometer of some standard make, in good working order, and so placed as to be in full view of any person sitting on the same seat with the driver of such vehicle;

3. Skid chains, which shall be properly attached to the rear wheels of such vehicle at all times when the streets are wet;

4. A license number to be furnished by the City Clerk and affixed in a conspicuous place in or on such vehicle.

Section 13. Every taxicab shall also have displayed in a conspicuous place therein or thereon at all times a sign stating in clearly legible characters the rates of fare charged for carrying passengers therein.

Section 14. Every motor bus shall also have attached to the front side of the lower part of its windshield, at all times while it is in operation, a sign stating the terminal of its route, and the main streets traversed thereby, and the rate of fare charged for carrying passengers therein. Said sign shall be of white letters and figures on a black ground. Each letter or figure thereof shall be two and one-half inches in height, and the lines thereof shall be at least one-half inch in width.

Section 15. It shall be unlawful for the driver of any motor bus to deviate more than three blocks from the route along which a permit to operate the same has been granted, or to stop and turn back before reaching a terminus of said route; provided, however, that any motor bus may deviate not more than five blocks from said route to a church or school, or to any public attraction or demonstration. In case of any deviation from its authorized route, a motor bus must return at once to the point of diversion and proceed from said point in the same direction in which it was going before such deviation, until a terminus of said route is reached.

Section 16. It shall be unlawful for any owner or driver of any taxicab or motor bus to charge or collect, or cause to be charged or collected, any greater rate of fare for carrying any passenger therein than is stated on the sign displayed as herein provided.

Section 17. It shall be the duty of the driver of every motor bus, unless all seats provided for passengers on such motor bus are occupied, to receive and carry on such motor bus all persons who apply for passage thereon along its route and tender the proper fare therefor, except persons who are intoxicated or are conducting themselves in a boisterous or disorderly manner.

Section 18. It shall be unlawful for any owner or driver to drive or operate any taxicab or motor bus, or cause the same to be driven or operated, and no permit for the operation thereof shall be granted, unless there is on file with the City Clerk and in full force and effect at all times while such taxicab or motor bus is being operated, either:

1. A bond of the owner of such taxicab or motor bus, approved by the Council, with a solvent and responsible surety company authorized to do business in the State of California, as surety, in the sum of Ten Thousand Dollars, conditioned that said owner will pay all loss or damage that may result to persons or property from the negligent operation or defective construction of such taxicab or motor bus (giving the manufacturer's number and state license number thereof) or from any violation of the provisions of this ordinance or of the laws of the State of California. Recovery on said bond shall be limited to Five Thousand Dollars for the injury or death of one person, and to Ten Thousand Dollars for the injury or death of two or more persons in the same accident, and to One Thousand Dollars for injury or destruction of property. Such bond shall run to the City of Glendale and shall inure by its terms to the benefit of any and all persons suffering loss or damage covered thereby, and shall provide that suit may be brought thereon in any court of competent jurisdiction by any such person. Said bond shall provide that there shall be a continuing liability thereon, notwithstanding any recovery thereon. If at any time, in the judgment of the Council, said bond is not sufficient for any reason, the Council may require such owner to replace said bond with another bond or with a policy of insurance as hereinafter provided satisfactory to the Council; and in default thereof may revoke such owner's permit and license; or

2. A policy of insurance, approved by the Council, in a solvent and responsible company authorized to do business in the State of California, insuring the owner of such taxicab or motor bus (giving its manufacturer's number and state license number) against loss by reason of injury or damage that may result to persons or property from the negligent operation or defective construction of such taxicab or motor bus, or from any violation of this ordinance or of the laws of the State of California. Said policy may be limited to Five Thousand Dollars for the injury or death of one person, and to Ten Thousand Dollars for the injury or death of two or more persons in the same accident, and to One Thousand Dollars for injury or destruction of property. Said policy of insurance shall guarantee the payment to any and all such persons suffering injury or damage to person or property of any final judgment rendered against such owner, within the limits above mentioned, irrespective of the financial condition or any acts or omissions of such owner, and shall inure to the benefit of such persons. If at any time such policy of insurance shall be cancelled by the company issuing the same or the authority of such company to do business in the State of California shall be revoked, the Council shall require said owner to replace such policy with another policy or a bond as above provided, satisfactory to the Council, and in default thereof may revoke such owner's permit and license.

Section 19. It shall be unlawful for any owner or driver to operate, or cause to be operated, any taxicab or motor bus while the same or any of the equipment used thereon or therewith shall be in a defective, unsafe or insanitary condition. Every taxicab or motor bus shall at all times be subject to the inspection of any police officer or sanitary inspector of the City of Glendale.

Section 20. No driver of any taxicab or motor bus shall permit any person to ride on the running board thereof or elsewhere outside of the body thereof. No driver of any taxicab or motor bus shall permit more persons to ride in the driver's compartment thereof than can be seated in the regular seats in said compartment, or permit any person to sit or stand at any place in or on said taxicab or motor bus where such person obstructs the driver's view of traffic ahead or to either side.

Section 21. When any permit is granted hereunder, the City Clerk shall issue to the grantee thereof a certificate thereof, giving the name and address of said grantee, the nature of the permit granted, and the date when the same was granted. All permits granted under the provisions of this ordinance shall expire at the end of the calendar year in which the same are granted.

Section 22. Ordinance No. 409 of the City of Glendale, passed October 27, 1920, and entitled "An ordinance of the City of Glendale regulating and licensing the business of transporting passengers for hire in motor vehicles" is hereby repealed; provided, however, that all permits granted under said ordinance shall continue in force until December 31, 1921, and all bonds filed thereunder shall continue in force until the expiration or revocation of the permits in connection with which they were filed, and all licenses issued thereunder shall continue in force until the expiration of the time for which they are paid.

Section 23. Any person, firm or corporation violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than Three Hundred Dollars or by imprisonment in the City Jail of the City of Glendale or the County Jail of the County of Los Angeles for a period of not more than one hundred and fifty days, or by both such fine and such imprisonment.

Section 24. The City Clerk shall certify to the passage of this ordinance and cause the same to be published once in the Glendale Sentinel-Progress, a weekly newspaper of general circulation published and circulated in said City of Glendale, and the same shall take effect on the thirtieth day after its passage.

Passed by the Council of the City of Glendale this 4th day of August, 1921.

SPENCER ROBINSON,
Mayor.
Attest: J. C. SHERER, City Clerk.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, CITY OF GLENDALE—SS.

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing ordinance was passed by the Council of the City of Glendale at their regular meeting held on the 4th day of August, 1921, by the following vote:

Ayes: Davis, Kimlin, Lapham, Robinson, Stephenson.
Noes: None.
Absent: None.

Witness my hand and the seal of said city this 4th day of August, 1921.

J. C. SHERER,
City Clerk.

ORDINANCE NO. 463

AN ORDINANCE OF THE CITY OF GLENDALE PROVIDING FOR THE ISSUANCE OF FIFTY THOUSAND ($50,000.00) DOLLARS BONDS OF MUNICIPAL IMPROVEMENT DISTRICT NO. 3 OF THE CITY OF GLENDALE, AUTHORIZED BY THE VOTERS OF SAID DISTRICT AT A SPECIAL ELECTION HELD ON MARCH 10, 1921.

WHEREAS, in pursuance of an act of the Legislature of the State of California, entitled:

"An Act to provide for the formation of districts within municipalities for the acquisition or construction of public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements, and for the acquisition or construction of such improvements," approved April 20, 1915, and amendments thereof, and of Resolution No. 1163 of the City of Glendale, passed on the 17th day of February, 1921, a special election was duly held in that certain territory contained within the boundaries of proposed Municipal Improvement District Number 3 of the City of Glendale, particularly described in said Resolution, upon the following proposition, duly and regularly submitteed to the qualified electors of said district at such election, to-wit:

"Shall that certain proposed municipal improvement district, known as Municipal Improvement District Number 3 of the City of Glendale, incur a bonded debt of $50,000.00 for the purpose of acquiring and constructing works for the collection and disposal of sewage from said district including the acquisition of lands, easements, and rights of way, and the construction of pipe lines, manholes, flush-tanks, septic tanks, cesspools and other works and appurtenances necessary for such purpose," and

WHEREAS, according to the returns of such special election as canvassed by the Board of Trustees of the said City of Glendale on March 17, 1921, the result of which canvass was then and there ascertained and entered and recorded according to law, more than two-thirds of all of the voters voting at said election did vote in favor of incurring the bonded indebtedness as described in said proposition so submitted at said special election, thereby authorizing and empowering the issuance of bonds of said district for the amount of $50,000.00, for the purposes aforesaid, payable out of the funds of said district, to be provided as in said Act prescribed, and

WHEREAS, the public interest and necessity of such Municipal Improvement District Number 3 of the City of Glendale demand that said $50,000.00 bonds of such district be issued and sold at the earliest practicable date for the purpose of providing funds for the aforesaid improvement:

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GLENDALE:

Section 1—That the bonds of said Municipal Improvement District Number 3 of the City of Glendale be issued in accordance with an Act of the legislature of the State of California, entitled: "An act to provide for the formation of districts within municipalities for the acquisition or construction of public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements, and for the acquisition or construction of such improvements," approved April 20, 1915; and amendments thereof; that said bonds shall be fifty (50) in number, numbered one (1) to fifty (50) both inclusive, and shall each be designated "Municipal Improvement District Number 3, of the City of Glendale, Bond"; said bonds shall be of the denomination of One Thousand ($1000) Dollars each, and the principal and interest of each and all of said bonds shall be payable in lawful money of the United States; they shall be dated September 1, 1921, and shall bear interest at the rate of 6 (6%) per centum per annum, payable semi-annually on the first day of March, and the first day of September, of each year. The Council of the City of Glendale hereby fixes September 1, 1931, as the date for the earliest maturity of the principal of any of said bonds, and said bonds shall be payable in the manner following:

Bonds numbered 1 and 2, both inclusive, September 1, 1931;
Bonds numbered 3 and 4, both inclusive, September 1, 1932;
Bonds numbered 5 and 6, both inclusive, September 1, 1933;
Bonds numbered 7 and 8, both inclusive, September 1, 1934;
Bonds numbered 9 and 10, both inclusive, September 1, 1935;
Bonds numbered 11 and 12, both inclusive, September 1, 1936;
Bonds numbered 13 and 14, both inclusive, September 1, 1937;
Bonds numbered 15 and 16, both inclusive, September 1, 1938;
Bonds numbered 17 and 18, both inclusive, September 1, 1939;
Bonds numbered 19 and 20, both inclusive, September 1, 1940;

CREATION OF LIFE IS NOW SCIENTIST'S ONLY MYSTERY

Manufacture of Men Now Being Considered; Seek Solution of Problem

By RUSELL BROWNING
United Press Staff Correspondent

WASHINGTON, D. C.—If you are living a couple of hundred years hence don't be startled if you see a sign something like this "Smith, Jones & Co., Manufacturers of Rats, Birds and Humans. Name your species. Prices reasonable."

Professor Austin Clark, head of the biological department of the Smithsonian Institute, declared today that scientists in the future will be able to "manufacture men."

Clark was asked to comment on the announced discovery by French savants of a method of creating organic life from certain quartz and meteoric stones.

Development Predicted

"Maybe its true, maybe not," said Clark. Many able scientists have been fooled itno believing that they have created 'life.' Nearly every other salient mystery of biology has been solved except this one supreme puzzle. It is now possible to construct all the organisms of a living creature. They are chemically and automatically perfect—but they won't work when it comes to 'living.' If this problem has not now been solved it will be some day.

"If a primitive form of life can be created, we now know that we could modify and develop that form to any form of higher animal life. The external circumstances that created the different species of life are now known and can be artificially applied. The reason that we cannot take the so-called simple forms of life now and develop them into higher animals is that there are no real primitive forms of life left on the earth. The simplest animacule has developed from the common starting point into a tremendously complex being. A hundred million years of heredity has fixed its life form and traits until artificial modification is now very limited.

Might Be Speeded Up

"This would not be true of newly created life. Such an organism would be themendously impressionistic. It would mould and develop under the stimulus of artificial conditions as artistic clay in the hands of the sculptor. Practically any form of life now existent could be created from this primitive cell.

"It would probably take a couple of million generations to produce an animal like a dog or man," said Clark, "but the length of life of each generation could be speeded up, and the whole transformation got through within, say 200 years.

"No doubt a lot of monstrous freaks would be created by mistakes in administering the stimulus."

Don't think that just because a man advocates the protection of home industries he is industrious at home.

Live Cole Class Is Winner of Contest; Entertainment Coming

The members of the Live Cole class of the First Christian church Sunday school are rejoicing this week as a result of winning the membership and efficiency contest with the Alpha Omega class, which ended last Sunday. The campaign, which was waged during the months of June and July, was based on the number of points made by each class of young people, the points being awarded for new members obtained, members present and members on time.

The final result showed that the Live Coles, which is composed of the young married people of the church, defeated the Delta Omegas by 92 points. This lead was practically maintained during the entire month of July. In June, however, the Delta Omegas were in the lead on several occasions.

The penalty for the losers is that they shall act as hosts at an entertainment in honor of their conquerors. The nature of the affair has not yet been decided, but it will probably take place next week.

Rev. C. C. Cole is the teacher of the Live Coles, while Mrs. Helen Miller is its president. Mrs. M. G. Musser is the Delta Omega's instructor, its president being Miss Evangeline Quackenbush.

Mrs. C. M. Hale Is Hostess to Visitors

Mrs. C. M. Hale of 1033 South Boynton street entertained as her over-night guests Miss Annie Mackay and Miss Blanche Cunningham, friends from Denver. Both of these young ladies are graduates from Colorado College and are teachers in the Denver schools. Miss Cunningham attended Occidental college for one year. They are spending their summer vacation at Long Beach.

United Press Briefs

JACKIE COOGAN TO AID

LOS ANGELES, Aug. 5.—Jackie Coogan, the famous "kid" of the movies, has joined hands with Jan Ignace Paderewski and Madam Paderewski toward assisting the starving children of Poland.

Jackie has just returned from the ex-premier's big ranch at Paso Robles, where he was a guest at a house party in honor of Madame Paderewski's birthday. Plans were laid at the party for Jackie to turn over to the Paderewskis contributions received by him from youngsters all over the United States.

WHITE COLLAR POPULAR

SAN FRANCISCO, Aug. 5.—The "white collar" belt here is spreading rapidly today. The new white choker is ousting the flannel shirt, the "collar attached" and the "soft collar."

The sudden splurge in white collars is due to the fact that they have gone down, not in height, but in price. The retail merchants today announced a reduction from $3 per dozen to $2.40 per dozen, or from 25 to 20 cents apiece.

APPEAL TO HENRY FORD

DENVER, Colo., Aug. 5.—Failing to receive a single bid for the $2,000,000 state highway bonds authorized at the last election, State Treasurer Strong has appealed to Henry Ford to buy some of the bonds, pointing out that better roads mean more automobiles and that more than half the cars in Colorado are Fords. An appeal was made also to John D. Rockefeller.

AGED MAN SENTENCED

DENVER, Aug. 5.—Dr. William Warner, 70, has begun serving his eleventh penitentiary sentence. He was given from five to ten years at hard labor for forgery. Warner told court officials here that in the last two years he had deposited spurious drafts for collection in more than 100 banks in ten states.

KILLS SELF, IS BELIEF

MODESTO, Cal., Aug. 5.—F. O. Fesler, prominent rancher living near here, was found dead on his ranch. A shotgun lay by his side and there was a big wound over his heart. It is believed he killed himself.

YOUNG MILLIONAIRE WEDS

YOUNGSTOWN, Ohio., Aug. 5.—Thomas Wells, Jr., youthful millionaire, who was recently granted a divorce from Stacia Welsh Wells has been married to Marian Alma Povie of New York, according to Wells' relatives here today. The couple are now in Pasadena, Cal.

PASSED UP TO HARDING

WASHINGTON, D. C., Aug. 5.—President Harding would be made directly responsible for arranging the terms for payment of $10,000,000,000 in foreign loans under an amendment to the refunding bill proposed by Senator Simmons, North Carolina.

MODERATE

"Go away from me," said the fashionably dressed lady, to the street beggar; "I wouldn't have you touch me for ten dollars."

"I was only goin' t' touch you for a nickel lady," was the reply.

"The meaning of MUSIC goes deep"

SO WROTE Carlyle, and continuing he says, "it is a kind of inarticulate, unfathomable speech which leads us to the edge of the infinite, and lets us gaze for a moment into that."

Have you enough music in your life—in your home? Are your little ones being brought up in its refining and uplifting atmosphere?

The AMPICO *in the* Franklin

brings such a wealth of music to the home life of its owner, that no sacrifice is too great in order to become the possessor of this miracle of science, laid at the feet of art.

Let us tell you more about it. May we suggest that you come to hear it?

Vaudeville Program at Glendale Theatre Matinee and Evening

The Glendale Theatre tomorrow, matinee and evening, will present another of the popular Meiklejohn and Dunn shows. Mack and Williams, direct from their tour of the Pantages circuit will headline the vaudeville. They are known as New York Winter Garden favorites. Both are extraordinary dancers, not only hard and soft shoe, but eccentric steps as well.

Wells and Wells, with their comedy act, will furnish enough amusement to keep a smile in Glendale over the week-end. They term their act "Follies of Song and Dance."

The Three Campbell Sisters in a clever and unique dance and song offering most assuredly will please. The fourth act is a surprise—no names being mentioned.

Included in this big show which is being offered Glendale Theatre patrons at no advance in the usual prices, is the feature picture, "Sunset Jones," a story of the west that is full of thrilling incidents and a romance presenting a beautiful story.

NOTICE OF ASSESSMENT

VALLEY WATER COMPANY, A CORPORATION, ITS PRINCIPAL PLACE OF BUSINESS BEING LOCATED AT LA CANADA, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, POSTOFFICE ADDRESS OF SAID CORPORATION BEING R. F. D. NO. 13, BOX 49, LOS ANGELES, CALIFORNIA.

NOTICE IS HEREBY GIVEN that at a meeting of the board of directors held on July 19, 1921, an assessment of fifty cents ($.50) per share was levied upon the capital stock of the corporation, payable July 23, 1921, to E. A. Brigham, Treasurer of Valley Water Company at the office of said corporation, to-wit, at the residence of F. D. Lanterman, La Canada, County of Los Angeles, California, (the postoffice address of said corporation being R. F. D. No. 13, Box 49, Los Angeles, California.) Any stock upon which this assessment shall remain unpaid on the 23rd day of August, 1921, will be delinquent and advertised for sale at public auction, and unless payment is made before, will be sold on the 15th day of September, 1921, to pay the delinquent assessment, together with costs of advertising and expenses of sale.

F. D. LANTERMAN,
Secretary of Valley Water Company,
R. F. D. No. 13, Box 49, Los Angeles, California. (Same being at La Canada, L. A. Co., Cal.)

READY FOR YOUR VACATION?

MAY WE HELP YOU WITH YOUR PLANS?

The agent of the Pacific Electric Railway nearest you has, or will procure for you information of any one or all of the fifty or more mountain camps or resorts reached by our lines or through its connections, and to most of them he can ticket you through.

The resorts of the Sierra Madre, San Bernardino and San Jacinto mountains are not surpassed anywhere for beauty, comfort and reasonableness of charges; in fact, you lose none of the vacation joys and save money by visiting those near at home. Investigate them.

'DEAR KATIE' HEARS SOMETHING ABOUT 'MOVIE CRAZE'

No, Dear Reader, It's Really Not About Reels Nor Do Stars Figure

GLENDALE, Aug. 5, 1921.

Dear Katie: It may be as how truth is a stranger to fiction, but such ain't the case to a strivin reporter. So today I have decided as how I better write a artikle about California and give you some true facts about the matter, which the same you would never hear about otherwise, if at all.

In the first place, people come to California for one of two reasons. Either to be movie actors or to sell real estate.

In the next place, there is two kinds of people which comes to these parts.

One of 'em is the kind which has sold out all their furniture and playthings for a little or nothin before they left the old home, and when they get here, they go around tearin their hair at the high prices of furniture and flat irons and wishin they had brung their stuff along with em.

The other kind brung everything with em they owned includin furs and snow shovels and they go around howlin mad and callin themselves bloomin idiots, cause they didn't give their stuff to the station agent back home, rather than pay $90 freight charges on $40 worth of furniture and tinware.

The railroad advertisements, Katie, gets most of the people to come out here, which the same tells everybody back east all about the sunshine and oranges, etc., and out here the railroads advertise return rates and add a lot of sob stuff about the "old home" and gets em to go back again.

Here's Some Statistics

This innocent pastime of the railroads, Katie, is called Before and After. Before they come and After they get here. And of course for them that don't like California, there's warmer places where they can go. Out of every 100 people as is here in California Katie, 5 of em was born here, 10 of em is movie actors, 20 of em is sellin real estate, 25 is tourists carryin umbrellas and the rest come from the east of Phoenix and most of em are so rich they don't care what happens.

Lots of people, after they have been here a while get the movie craze right off the start. The movie craze, Katie, is where people buy a nice little bungalow and get nicely settled down and by the time they get the garden dug up and after they get done arguin as to where they better set the piano, some guy comes along and offers em a couple of thousand dollars more than they paid for the place, so they sell out and move.

Then they buy another place in the next block and once more they settle down to live there for evermore or maybe sometimes as long as two months and then they get restless and decide as how they don't like the location, so they stick out a "For Sale" sign on the mail box.

Then before sunset they sell the place, clean up another thousend, move across the street into a new home and the old place slips from their minds like a cup of borrowed sugar.

Well, Katie, it's like ridin on a merry-go-round. They have lots of fun, but they don't go nowheres.

Of course, this movie craze keeps the movin' trucks awful busy and so much movin' around breaks up a lot of furniture, which the same I guess accounts for so many furniture stores in Glendale doin a flourishin business and the way the movin trucks fly around is a caution to cats and they're harder to find than a cop when you want one of em. Our stores on Brand and Broadway has got the same movie craze, Katie.

Business Is Booming

Our merchants make more moves than the checker players at the Horse Shoe Club.

Today a guy opens up a store and right away he does a big business and next week (unless he's retired rich by that tihe) he has either sold out or moved three doors east.

Store buildin's, Katie, are bein built in Glendale faster than Henry makes Fords and empty stores is scarcer than food is in Moscow.

A guy can make a simple remark as how he guesses he will put up a big store buildin and ten minutes later he's got it rented and leased for life.

Anybody can take $1000 and open up a business and he don't no more than get the windows washed and decorated and some guy comes in and says: You want to sell out? Sure, $3000. Fine. Here's money.

Well, Katie, as the old sayin is: if you got money you can make money, but what I never been able to figure out is, how do they get it in the first place? I dunno.

Anyway, in this great game called movie craze, a strivin reporter has got about as much chance to make a move as a fly in a glue bottle.

Yours, with nothin to move.

E. C. HALE.

Moral—There ain't none.

Answers to Questions About Glendale Asked Many Times Every Day

Believing that the many new residents of Glendale are vitally interested in the statistical facts concerning the city of their adoption, The Evening News presents below a few concrete items of this kind. These all pertain to matters concerning which many inquiries are made daily:

Population, 1910	2,742
Population, 1920	13,356
Per cent of increase	393

King Bogo Is Loser of One Good Subject

SAN FRANCISCO, Aug. 5.—Poor old King Bogo of the Swahili's.

Far off in Zululand he probably is perfectly happy and doesn't know he has been deserted by Musa Bryam.

But he has. Musa appeared before Naturilization Clerk J. J. Kingston and today he has on file his application for American citizenship and a promise to renounce forever all loyalty to King Bogo.

Musa came to America from his Swahili home with Dr. L. F. Herrick of Oakland when he was 15 years old. He now blacks shoes and makes them shine as bright as his own black nose.

Mrs. R. D. White Is Hostess to Relatives

In honor of her husband's recent return from the east Mrs. Richardson D. White of 1220 South Brand boulevard entertained informally Wednesday night, her guests being a group of relatives who live in Glendale. A pleasant evening was spent with music and conversation. Those present incuded Mr. and Mrs. A. Houston Jones, Marion and Richardson Jones, Mrs. Margaret Longley, Miss Murrey Longley, Miss Margaret Longley and Mrs. Fannie Jones of St. Louis.

It is believed in Cornwall, England, that household plants will wither and die soon after there has been a death in the house, unless a piece of black cloth is tied to them.

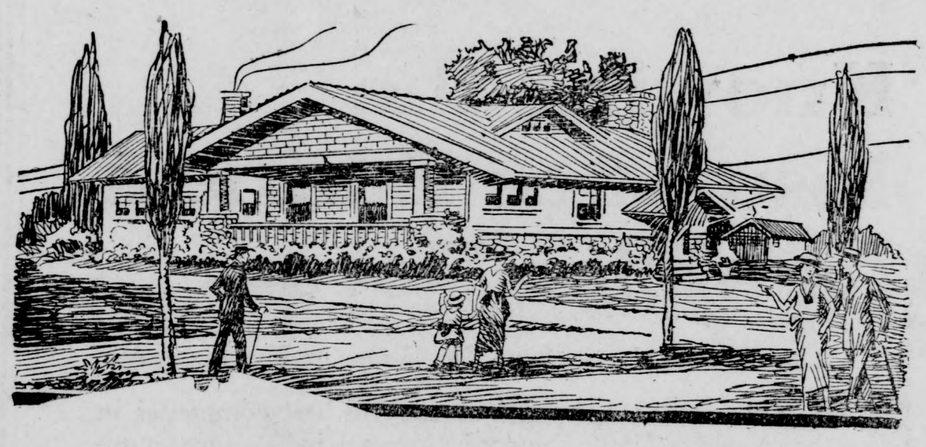

Balloon Dance to Be Held Saturday Night

Harry Casillas announces that a big balloon dance will be given on Saturday night at the K. of P. hall, Park avenue and Brand boulevard. Balloons will be free to all who attend and enjoy the good times to be had every Saturday night.

SWEET REVENGE

I would I were the rouge upon your cheeks,
Then life would be as one long, lithesome frolic;
When touched by lips of bold, bad, rival geeks,
I'd give each Romeo the painters' colic!

Ten per cent of the married women of Boston are employed.

The Wisest Investment Under The Sun—

—**In his lifetime a man makes many investments, but** taking them all into account—the few on which he made, and the many on which he lost—not one, he will tell you, proved so wise an investment as the dollars he put into his home.

—**For every dollar invested in a home brings security and** happiness. Every dollar invested in a home is a safe dollar—a saved dollar.

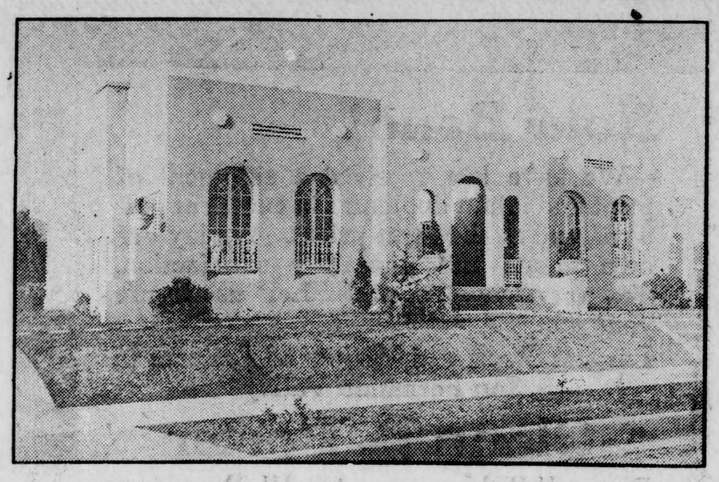

—**The cost of home building is lower now than for the** past five years. He who builds now gets value received for every dollar he puts into his home.

—**Have you taken advantage of our helpful service? If** not, come in—we can be of service to you.

BILT-RITE HOMES

A Distinctive Five-Room Home

If you are looking for something in the way of comfort and beauty in a home, here it is. —Owing to the present low prices of lumber and all building materials a Bilt-rite home is a good investment.

G. EDWIN MURPHY

DESIGNER AND BUILDER

Phone Glendale 1559-W 421 North Brand Blvd.

A man advanced in years has often nothing but his age to show that he has lived for a long period.—Seneca.

Not more than ten per cent of the Franco-American marriages contracted during the war have been successful.

A dentist can fill anything—even an obligation. But alas sometimes he fills your eyes with tears when he is filling your tooth.

It takes three generations to make a gentleman, but only one chorus girl to break him.

Young men think old men are fools, but old men know young men are fools.—Chapman.

There are two kinds of executives; those who are full of pep, and those who go ahead and get something done.

Knowing the Insurance Business as Miller Does—

It is no wonder he can Save You Money on Fire Insurance.

He represents nine of the oldest and best companies in the World. These companies are all independent non-board companies and save you 20 per cent in premiums.

Knowing the Insurance Business as he does, it would be strange if he did not know which insurance companies are best for you to insure in.

Anything he knows about companies that ring true and those that do not, he will cheerfully impart at no cost or obligation to you. For years he has been "sifting the chaff from the wheat."

Miller Saves You Money on Your Premiums—He insures you RIGHT—he looks out for everything that effects your interests.

If you insure with an irresponsible insurance man, who is here today and gone tomorrow, when you wish to transfer your policy or cancel it, you will find yourself in difficulty. Policies of this character are called to our attention frequently.

The H. L. Miller Company is old enough and wise enough to do all these things. Such service is yours if you deal here.

Will you give us the opportunity of serving you?

H. L. MILLER COMPANY

IMPROVEMENTS AT ELKS' BUILDING ABOUT READY

Local Lodge Home Now One of Completeness; About $9000 Is Expended

The remodeling of the third floor of the Glendale Elks' club building on Colorado boulevard, which has been in progress two months, is now practically completed, and the entire eleven additional rooms will be ready for occupancy within the next few days. When the remainder of the furniture and carpets, which will arrive here tomorrow, are installed the local lodge will be able to boast of the best designed and elegantly arranged and furnished club house in the state. The building, which is one of Glendale's real beauty spots, has already been called the "most beautiful secret order edifice in Southern California."

The recent improvements, which have been in charge of the regular building committee and the lodge officers, have been put in on the "separate contract" plan. Sub-contractors were engaged to install various jobs, which were finished by day labor, and not by contract.

Cost About $9,000

The alterations and additions have been made at an approximate cost of $9,000, according to Willis M. Kimball, secretary of the order. This includes the total cost of labor, materials and furnishings for each of the eleven rooms. Six of these rooms front on Colorado boulevard, while the other five face Elk avenue.

When completed the stairway and halls will be lined with clear flax carpet, which is the kind that is used in all large theatres and hotels. More than 150 feet of this carpet will be used.

The rooms, which are large and airy, will each contain a heavy rug flush to the walls, a double bed, writing table, chiffonier, straight chair and a rocking chair. The furniture is of mahogany finish, the chairs being finished in leather.

Predict Additional Building

In addition to the rooms already mentioned a large double room has been added on the southern extension of the building. This apartment has both a south and east exposure and will be used as the janitor's room.

Although no definite plans for the future have been made it is generally understood that within the next few years a large additional building is to be erected on the south side of the present club house, to be known as the administration building. Two lots on Elk avenue, with an eighty-foot frontage, have recently been purchased by the club.

The members of the building committee are J. W. Usilton, Peter L. Ferry, James W. Pearson, C. E. Stanley, L. C. Forrest.

Members of outside lodges who have visited the local club this week are as follows: A. F. Ahrens, San Diego; George T. Henry, Huntington Park; Fred W. Foyer, Los Angeles; F. L. Schlierbach, Parra, Ill.; J. W. Burdsal, Los Angeles; F. J. Mathis, Riverside; H. W. Anderson, Huntington Park.

Great Struggle Over World Trade Begun

By H. W. GRIMES
United Press Staff Correspondent

WASHINGTON, D. C., Aug. 5.—The United States soon may be forced to "hit back" in the world's scramble for trade.

This was the opinion today among officials of the commerce department and shipping board who see losses to American commerce through discrimination and barriers placed against it by other nations.

Abrogation of more than a score of commercial treaties, a shipping rate war and exclusion of foreign capital in exploiting American natural resources, are among the possibilities if this country, despite its position that trade opportunities should be open to all on equal basis, should be forced into the adoption of retaliatory measures.

The latest action against American interests was under consideration by the shipping board today and counter action may be taken shortly, according to board officials.

Mrs. C. A. Sowl Has New Cafe Location

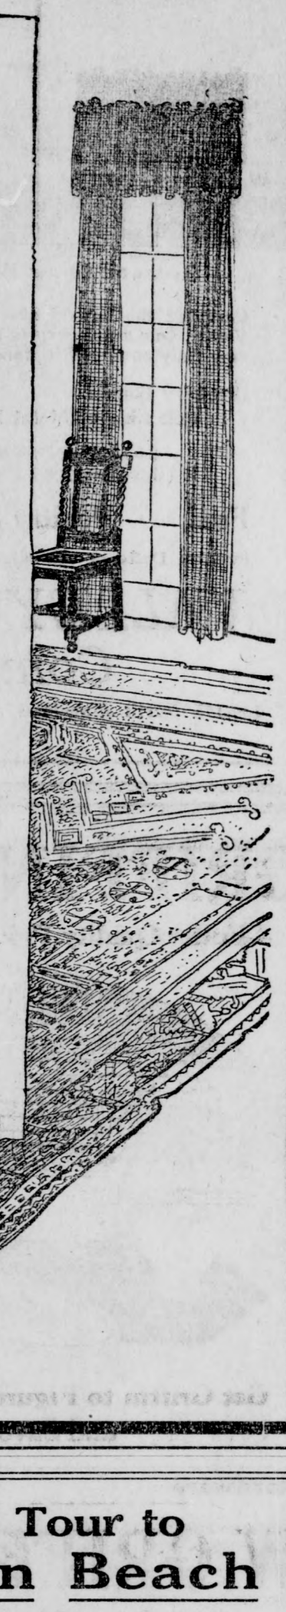

Mrs. C. A. Sowl has been busy all week transferring her equipment from the restaurant at 1235 North Louise street to her new quarters at 1202 Mountain street. The new location is an ideal spot for a cafe of this type, the grounds are beautiful and besides the Spanish dining room there will be an Indian grill. Although the changes are not completed the cafe will open Sunday.

A member of the lettuce family cultivated in Upper Egypt is a new source of edible oil. It can be grown with profit in the Sudan, the seeds yielding under pressure from 37 to 38% oil. The oil is of a beautiful light yellow color, odorless, and is very suitable for the manufacture of soap and similar products.

Sensational Sale

of a Belated Shipment of High Grade

Rugs

These Rugs were purchased in the Eastern Market when the Rug Market was at rock bottom—but owing to an error were not shipped. In the meantime we re-ordered and after receiving the second shipment were notified the first shipment was in transit. These rugs arrived Wednesday at the Salt Lake Freight Depot and we accepted them—as they were purchased below today's market price. We are passing along the saving to you.

Here are a few examples of the values:

9x12 Fringed Wilton Velvet—Special

$48.50

9x12 Beauvis Axminster —the highest grade seamless Axminster made. This rug is considered the "Anglo-Persian" of the Axminster line. **Special**

$60.00

9x12 Fervak Seamless Axminster—a splendid rug. Our price

$47.50

Powerful Drama of New York Underworld Is Shown at Glendale

With a powerful drama of New York's underworld as her third starring vehicle under the William Fox banner, Louise Lovely, the talented little emotional actress, comes to the Glendale Theatre today in "While the Devil Laughs," a story telling the regeneration of a girl caught in a web of circumstances that make her a thief, although her soul cried out for all the good that is the heritage of every woman.

Some human sheep follow the spirit of evil down a dark, treacherous path, while others go on in the footsteps of the Good Shepherd. Each year some portion of the human herd is destined to the prisons, while others mount to the heights of happiness. This is the foundation of "While the Devil Laughs."

"He Loves Her Still" with Billy West and Aesop's Fables Modernized are also on the bill.

Farm Organizations Prepare Tax Contest

WASHINGTON, D. C., Aug. 5.—All national farm organizations are preparing a concerted fight against repeal of the excess profits tax, Charles A. Lyman, secretary of the national board of farm organizations informed the house ways committee.

Conferences are now being held with the "agricultural blocs" within both houses and Lyman stated that congressmen will be asked to vote against the new tax bill if the excess profits levy is repealed and taxes on the masses remain as at present, or are increased.

Charles S. Barrett, chairman of the national board of farm organizations, stated he would probably call a conference of farm leaders to meet here during debate on the tax bill.

DARWIN REVERSED

"Did you give the penny to the monkey, dear?"

"Yes, mamma."

"What did he do with it?"

"He gave it to his father who played the organ."

DELEGATES TO PAY THEIR OWN BILLS AT CONFERENCE

United States Will Not Be Put to Heavy Expenses Entertaining 'Guests'

By RUSSELL BROWNING
United Press Staff Correspondent

WASHINGTON—The United States will be a Dutch host to the delegations attending the disarmament conference.

Some doubt as to the etiquette of allowing each guest to settle with the hotel keeper "on his own" was at first expressed by officials here and the advice of "Helen Maria" Dawes, director of budget, was sought on this point.

A document from the files of "paid bills" at the treasury department was put in evidence. This document, it is said, was a little item for a million dollars or so for American use of the Hotel Crillon during the Paris peace-making.

Charles Lee Cook, ceremonial chief of the state department, is as busy as a cranberry merchant arranging accommodations for the foreign visitants.

Separate Establishments

According to present plans, each delegation will be installed in a separate establishment. Several hotels will be taken over outright, and private mansions offered for use by their owners will be accepted as headquarters for the distinguished heads of the delegations.

Considerable rivalry has developed among Capitol society matrons as to who's home Premier Lloyd George of Great Britain will inhabit during his stay.

The question of liquid refreshment for the visitors has come up. This is a delicate question. On the one hand, it is realized that if super-diplomats are deprived of their accustomed drinks it may upset their dispositions and make round-table discussions more difficult. Again it never would do to let the visitors get the impression that our boasted legal desert is a sham.

Some scheme which will appear a wet mirage to the natives but a real oasis to the foreigners is being worked out.

A partial solution to this problem has been found in a decision by the state department that all the delegates will have diplomatic status which entitles them to a supply of liquor permits used by permanently accredited diplomats. Also no objection will be raised by their bringing over as many sealed trunks of "papers" as desired.

Plenty Of Officers

A flock of special constables will be added to the Washington police force during the conference.

This will be a precautionary step to prevent the revival on American soil of old world feuds as all the tribes of the earth are expected to send onlookers at the parley and ancient enemies are bound to meet in the shadow of Washington's monument, strolling down Pennsylvania avenue or rubbernecking at the White House.

Hooked nosed men from the Hedjaz, fezzed Turks, turbaned Hindus, princes, anarchists, statesmen, pickpockets, and newspaper reporters are expected to bring class, color and cash—newspapermen excepted on the last-named possession—to what is confidently prediced will be one of the most spectacular and momentous assemblages in history, rivaling in brilliance the noted Versailles treaty party.

Permanent Wave for Father's Hair; Gosh!

CHICAGO — Father is coming home with a permanent wave.

Men, as well as women, must be considered in deciding 1921 styles of hair, according to delegates to the national hair dressers' convention.

"Many men are having their hair marcelled," said Charles M. Kozlay, New York. "Dyeing is even more common."

In explanation of the growing fad of having their hair dressed among men, Kozlay said business was demanding young blood and pointed out older men have a much better opportunity if their hair isn't gray, and is well kept.

While the large majority of hair dressers were men, when the trade was confined mostly to women, the field for women hair dressers is opening up.

Women like to feel the strong, capable fingers of a man running through their hair, Kozlay said.

But men—they prefer the soft, gentle and flexible fingers of the feminine dermatologist.

TOO MUCH ALREADY

The youth seated himself in the dentist's chair. He wore a wonderful striped silk shirt and an even more wonderful check suit. He had the vacant stare that so often goes with both.

"I'm afraid to give him gas," the dentist said to his assistant.

"Why?"

"Well," replied the dentist, "how will I know when he is unconscious?"

Cattle Stampede Is One of Features of Palace Grand Picture

A cattle stampede, so realistic that even the most blase of Broadway's motion picture fans were moved to applause, is a feature of "The Sky Pilot," a Cathrine Curtis production, released as an Associated First National attraction which will be shown today and tomorrow at the Palace Grand theatre. Ralph Connor, the author, whose real name is Rev. Charles W. Gordon, and whose steady occupation is not writing books at all, but preaching the gospel in his little Canadian church, is to be congratulated upon the sincere manner in which the films have translated his story to the screen.

It is a very fitting title, "The Goat," which Buster Keaton has chosen for his latest Metro comedy, for in the picture, which will keep the audiences this week-end in a continual uproar, the sombre-faced comedian manages to be truly the goat for every sort of trouble that can happen—even in the movies. This double bill should attract a record attendance.

Requests for Transfer of City Service Made

The following requests for meter installations or changes in light and water service were filed at the city hall:

C. W. Hanson, 521 West Doran; Mrs. C. H. Smith, 719 East Wilson; H. D. Stone, 612 East Palmer; W. F. Neugebauer, 702 East Elk avenue; O. C. Methven, 208 West Maple; S. J. Gibbons, 1423 Stocker; B. W. Collins, 341 Oak; B. F. Funkhouser, 411 East Lomita; A. D. Keltner, 432 Oak; O. W. Calahan, 1039 North Brand; J. W. Sargent, 448 West California; J. H. Douglas, 619 West Broadway; S. C. ORDINANCE NO. 456

AN ORDINANCE OF THE COUNCIL OF THE CITY OF GLENDALE ESTABLISHING THE GRADE ON A PORTION OF ORANGE STREET WITHIN THE CITY OF GLENDALE.

Be it ordained by the Council of the City of Glendale:

Section 1. That the grade of that portion of Orange Street from the northerly line of Lexington Drive to the southerly line of Milford Street be and the same is established as follows:

Along the easterly curb line of Orange Street the grade shall be as follows:

At its intersection with the northerly line of Lexington Drive, 554.86.

At its intersection with the southerly line of Milford Street, 557.29.

Along the westerly curb line of Orange Street the grade shall be as follows:

At its intersection with the northerly line of Lexington Drive, 553.72.

At its intersection with the southerly line of Milford Street, 556.29.

That between the above designated points of elevation the grade shall conform to straight lines joining those points on the same side of Orange Street.

The elevations of the grades are given in feet above the City Datum Plane and refer to the top of curbs. The curb lines above referred to are parallel to and fifty (50) feet and ten (10) feet respectively easterly from the westerly line of Orange Street.

Section 2. The City Clerk shall certify to the passage of this Ordinance and shall cause the same to be published once in the Glendale Sentinel-Progress, a weekly newspaper of general circulation, published and circulated in said City of Glendale, and thereupon and thereafter the same shall be in full force and effect.

Adopted this 28th day of July, 1921.

SPENCER ROBINSON,
Mayor of the City of Glendale.

Attest:
J. C. SHERER,
City Clerk of the
City of Glendale.

STATE OF CALIFORNIA)
COUNTY OF LOS ANGELES (SS.
CITY OF GLENDALE)

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing Ordinance was duly adopted by the Council of the City of Glendale, State of California, and signed by the Mayor at a regular meeting thereof, held on the 28th day of July, 1921, by the following vote, to-wit:

Ayes: Kimlin, Davis, Lapham, Robinson, Stephenson.
Noes: None.
Absent: None.

J. C. SHERER,
City Clerk of the
City of Glendale.

FRANCE WILL BUILD BIG MEMORIAL TO AMERICAN AID

National Subscriptions Are Received to Fund; War Veterans Will Help

BY WILFRID FLEISHER
United Press Staff Correspondent

PARIS—The plans for the monument which France will erect in commemoration of America's part in the war have been completed. The national subscription list was opened on July 4, and there has been a generous response, contributions pouring into headquarters from all parts of the country and even from the devastated areas where the people, too, wish to join in the tribute to the gallant soldiers of the great sister republic.

The monument will stand at the mouth of the river Gironde, near Bordeaux, where it can be seen from far out at sea by incoming and outgoing vessels, a symbol of the friendship of the two countries. This site was chosen because of its particular significance in the history of Franco-American relations, for it was from this point that Lafayette set sail for America in 1777, and it was to this point that the first American ships to defy the German blockade—the Orleans and the Rochester—arrived in 1917.

Will Be 250 Feet High

The committee that has charge of the building of the monument wishes to carry out the same idea as symbolized to the Statue of Liberty which greets the ships sailing into New York harbor.

The monument will stand by itself on a strip of land projecting into the sea. It will be 250 feet high and will be in the shape of an obelisk surmounted by a light. It will be hollow and a staircase will lead up into it from the land side. Above the doorway will be eight bronze plates, depicting scenes of the various army and navy units in battle. Above this will be engraved the American eagle, and on the reverse side of the monument facing the sea, the arms of France. On each side of the huge obelisk will be sculpted figures representative of France greeting the American soldiers.

War Veterans to Aid

The sculptor, Bartholome, will direct the work in co-operation with M. Ventre, the architect who erected the monument over the famous Bayonet Trench at Verdun. Under their joint direction the work will be executed by young sculptors and artists who fought in the war, and each will work on a separate part of it. The plaster cast will be exhibited at the Paris Spring Salon in March.

The cost of the monument will be approximately 8,000,000 francs. The French government has contributed 1,000,000 francs, while over 400,000 francs had been turned in by subscription before the drive had actually opened. Contributions came unsolicited from all over the country, even from the devastated regions of the Ardenaes, the Vosges, the Aisne and the Marne, where the people wished to show their gratitude to their American comrades. Some subscriptions were also received from parts of Algeria.

CLAIMS ON UNCLE SAM

From the birth of this nation down to the present day it has been the custom for many persons in all sections of the country to go upon the theory that the treasury in Washington was in constant danger of overflowing, and that bins of gold and silver coins and bundles of greenbacks were spilling out into the streets and were swept away in the gutters.

They think they may relieve the pressure by filing strange and wonderful claims.

In the mind of a great many men and women Uncle Sam is pictured as a benevolent and easy-going old gentleman who hasn't a blessed thing in the world to do except stand at the open doors of the treasury with a long-handed shovel in his hands, ready and eager at any old time of the day or night to scoop out the golden shekels to anyone who happens to make a claim for anything from their great-great-grandpa's Sunday coat and pants that disappeared during the revolution to a lost mule or Liberty Bond of the present period.

Of course, all claims against the government are not unreasonable. Many of them are just and honest, and, in due course of time, are properly paid. Of this latter class of claimants was George Washington.

During the long and discouraging years of the revolution it was often necessary for General Washington to dig deep into his own pockets in order to defray his personal expenses and for the employment of secret service men and various other things incidental to the winning of the war.

The heat was so intense in Washington, D. C., recently, that a Kentucky representative won a bet when he said it was hot enough to fry eggs on the steps of the capitol. The eggs were procurred and the heat slowly fried them.

You Never Can Tell by th' Way It Looks, Asserts Mr. Finnegan

Andy Williams of 1006 East Wilson avenue claims that he has a good one on his friend, J. J. Finnegan, who recently left for his home in Yankton, S. D.

During his three weeks' sojourn here Mr. Finnegan, like any other eastern tourist, wanted to "take in" all of the points of interest in Southern California. Having heard so much favorable comment and having seen so much booster advertising for Mt. Lowe, the jovial South Dakotan decided he would make the trip to the famous peak. He had often had the lofty resort pointed out to him and on one occasion he had made the remark that some morning he would walk to the summit before breakfast.

On the morning of the day Mr. and Mrs. Finnegan and their two lady friends made the trip Mr. Finnegan was finally persuaded to ride on the trolly car. He led the party to Brand and Broadway and boarded a Montrose car.

"Give me four round trips to Mt. Lowe," said Finnegan, as he handed 50 cents to the conductor.

After ascertaining that his passenger was not trying to "kid" him along the conductor laughingly told Finnegan that he was in "the wrong pew," and directed him how to reach his destination.

When Finnegan returned late that evening he remarked that his "four bit" bid had been automatically boosted well above the $10 mark, but that the trip had been worth it.

The next time he wants to take a hike before breakfast he'll probably look twice rather than be fooled by Southern California's clear atmosphere.

Mr. Finnegan, who is a merchant in Yankton, "fell" for Glendale, and is planning on an early return to make his permanent home here. He is returning to his present home by way of San Francisco.

Business Is Good In Glendale

A number of years ago—the coming of July and August meant a "slow-up" in business in California.

Of late years, however, California has become so well known as a Summer Resort and building activities have been so great that during the summer months business continues the "same as usual."

This year is no exception. Glendale is rapidly expanding and prosperous, and this store's business is the greatest in its history.

From the start it was the determination of the Glendale Hardware Co. to build up a business on straight, reliable methods which would assure future growth on a solid foundation and with every confidence of our customers.

Our buying power enables us to buy as cheaply as any city firm and low everhead makes it possible to sell as cheap if not cheaper. Our policies assure good merchandise, right treatment to customers and efficient service.

Glendale Hardware Co.

CERTIFICATE OF BUSINESS

Fictitious Firm Name

The undersigned do hereby certify that they are conducting a general grocery and meat market business at 1032 South Brand, Glendale, California, under the fictitious firm name of Park Avenue Grocery and Meat Market, and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit:

Henry W. Berkhardt, 109 East Park, Glendale, Calif.

George Hahn, 109 East Park, Glendale, Calif.

Witness our hands this 8th day of July, 1921.

HENRY W. BURKHARDT,
GEORGE HAHN.

State of California, County of Los Angeles, ss.:

On this 19th day of July, in the year nineteen hundred and twenty-one, before me, James S. McBryde, a Notary Public in and for said County, residing therein, duly commissioned and sworn, personally appeared Henry W. Berkhardt and George Hahn, known to me to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same.

Witness my hand and official seal.

JAMES S. McBRYDE,
Notary Public in and for said County and state of California.

July 22-19, Aug. 5-12-19.

In China, the oldest and most densely populated nation, there are no policemen except in cities controlled by foreigners, and in the foreign districts of the cities under native control.

WATER SERVICE FOR SIERRA DISTRICT IS EXPLAINED

Formal Statement Is Issued by City Council; Tells of Department's Plan

(Continued From Page One)

tion of that district to the city of Glendale, and also as to the policy of your council in regard to furnishing such water supply.

Pump and Reservoir

"Mr. McNutt has addressed another letter to your council dated August 1 which we have attached hereto. In this letter Mr. McNutt covers practically the same ground as in his letter of July 22 except that he refers to the pump and reservoir that would necessarily have to be installed in connection with the distributing system for that district as set forth in our letter submitted this date as a temporary measure and objects to the people of the district having to pay therefor.

"In our opinion this point is not well taken in that that is the only way by which a water supply may be furnished for that district unless they are willing to wait until the proposed works in Verdugo Canyon are installed which may take two or three years. On the other hand the city of Glendale will certainly be meeting these people half way by incurring the additional expense of pumping the water for that district and selling it to them at the same rates that it is sold in other portions of the city where the water will not have to be raised the second time."

Letter to Mr. McNutt

The communication prepared to be forwarded to Mr. McNutt follows:

"Dear Sir: Replying to your letter of July 22, 1921, in regard to annexation of Sierra avenue district to Glendale, August 11, 1921, we will reply to your several inquiries without restating the same.

"In regard to proposed water development works in Verdugo Canyon reservoirs, twenty - inch pressure main, etc., that were planned to be installed from a portion of the proceeds of the $260,000 bond issue.

"Owing to the increased cost of the additions and betterments to the water system that were contemplated under the $260,000 bond issue it was found that the entire plan could not be carried out without first obtaining authorization for the issuance of additional bonds. It was therefore decided that the additional wells and pumping unit, trunk lines and large storage reservoir at the entrance of Verdugo canyon and small reservoir in Grand View district had better be completed as these improvements taken together constituted a complete water supply unit that would furnish ample water for the present needs of the city. These improvements are about completed and the city is now in position to furnish a water supply upon certain conditions to territory adjacent thereto that is dependent upon the city's supply and that is tributary to the city of Glendale and might properly be incorporated within its limits. The Sycamore Canyon and Scholl Canyon district is included within such territory.

Can Furnish Water

"We take it from your letter that you are quite familiar with the plans that have been worked out for supplying this district with water. We will therefore not set these plans forth here in detail.

"As matters now stand the Verdugo canyon development works referred to in circular issued by the board of trustees September 14, 1919, to which you refer will not be installed for some time at least. This, however, does not in any way affect the city's ability to furnish a water supply for the Sycamore canyon and Sierra avenue districts. The only difference this will make is that in addition to the distributing system as set forth on plans furnished you to which you refer in your letter there will have to be installed at the point of contact between the proposed distributing system for the Sycamore canyon and Sierra avenue district and the large reservoir at the entrance of Verdugo canyon a booster pump of proper capacity to raise the water from the 720 foot elevation to a proper elevation for supplying such district which would be about the 900 or 950-foot elevation and that at that elevation a small reservoir be constructed. The estimated cost of this additional installation will be approximately $5,000 which sum would have to be added to bond issue covering cost of distributing system.

"With the foregoing understood, the city of Glendale is in position to furnish a water supply for the Sycamore canyon and Sierra avenue district on the following basis:

"First—Such districts would annex to the city of Glendale.

"Second—Municipal improvement districts would be organized therein and bonds of such district issued to cover the cost of distributing system and such supplemental pumping plants and reservoirs that may be needed.

"Third—Bond redemption and interest on bonds issued by such districts would be met by tax levied upon the assessable property of the district respectively, with the understanding that the same proportion of the revenues derived from the sale of water within each such districts would be devoted to bond redemption and interest on the bonds of such district as is devoted from general water revenues to bond redemption and interest on bonds issued on account of general water system. In this way, as these districts develop, and the revenues from the sale of water therein on water bonds of the district would decrease.

"Sincerely your,
"CITY COUNCIL,
"By SPENCER ROBINSON, Mayor."

ORDINANCE NO. 463

(Continued from Page 4.)

Bonds numbered 21 and 22, both inclusive, September 1, 1941;
Bonds numbered 23 and 24, both inclusive, September 1, 1942;
Bonds numbered 25 and 26, both inclusive, September 1, 1943;
Bonds numbered 27 and 28, both inclusive, September 1, 1944;
Bonds numbered 29 and 30, both inclusive, September 1, 1945;
Bonds numbered 31 and 32, both inclusive, September 1, 1946;
Bonds numbered 33 and 34, both inclusive, September 1, 1947;
Bonds numbered 35 and 36, both inclusive, September 1, 1948;
Bonds numbered 37 and 38, both inclusive, September 1, 1949;
Bonds numbered 39 and 40, both inclusive, September 1, 1950;
Bonds numbered 41 and 42, both inclusive, September 1, 1951;
Bonds numbered 43 and 44, both inclusive, September 1, 1952;
Bonds numbered 45 and 46, both inclusive, September 1, 1953;
Bonds numbered 47 and 48, both inclusive, September 1, 1954;
Bonds numbered 49 and 50, both inclusive, September 1, 1955.

Section 2—That the form of said bonds shall be substantially as follows:

"No..... $1000.00

UNITED STATES OF AMERICA,
State of California,
City of Glendale,
Municipal Improvement District Number 3 of the City of Glendale. Bond."

Under and by virtue of an Act of the legislature of the State of California entitled: "An act to provide for the formation of districts within municipalities for the acquisition or construction of Public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements; and for the acquisition or construction of such improvements," approved April 20, 1915, and amendments thereof, Municipal Improvement District Number 3 of the City of Glendale, in the City of Glendale, State of California, promises out of the fund hereinafter described, to pay the bearer on the first day of September, 19...., (year of maturity) the sum of One Thousaand Dollars, with interest thereon at the rate of six (6%) per centum per annum, payable semi-annually on the first day of March and the first day of September, of each year, upon the presentation and surrender of the interest coupons hereto attached; both principal and interest payable in lawful money of the United States, at the office of the Treasurer of the said City of Glendale. The principal and interest of this bond are payable exclusively out of taxes levied upon the taxable property in said Municipal Improvement District Number 3 of the City of Glendale, and neither the City of Glendale, nor any officer thereof, is holden for the payment thereof otherwise. It is hereby certified that all requirements of the constitution and laws of the State of California and ordinances of said City of Glendale have been fully complied with by the proper officers in the issuing of this bond; that this issue of bonds has been authorized by a two thirds vote of the duly qualified voters of said district voting on the question of such issue at a special election duly and regularly called and held in said district on March 10, 1921, and that provision has been made for the collection of an annual tax upon the taxable property of said district sufficient to pay the interest on this bond and the issue of which it forms a part, as said interest falls due, and also provision to constitute a sinking fund for the payment of the principal thereof at maturity.

IN WITNESS WHEREOF, the Council of the City of Glendale, the governing authority of said Municipal Improvement District No. 3 of the City of Glendale, has caused this bond to be signed by the Mayor and Treasurer of the said City of Glendale, and countersigned by the Clerk of said City, and the corporate seal of said City to be hereto affixed, and the interest coupons hereto attached to bear the fac-simile signature of said Treasurer, on this first day of September, A. D., 1921.

.....
Mayor of the City of Glendale.

.....
Treasurer of the City of Glendale.
Countersigned by

.....
City Clerk of the City of Glendale.

That coupons consecutively numbered shall be attached to each of said bonds for the interest accruing thereon, and said coupons shall be substantially in the following form, to-wit:

"$.....

Glendale, California, September 1, 1921.

"On the first day of..... (month of maturity), A. D., 19...., (year of maturity), Municipal Improvement District Number 3, of the City of Glendale, County of Los Angeles, State of California, will pay to the bearer at the office of the Treasurer of the City of Glendale, the sum of Thirty Dollars ($30.00) in lawful money of the United States, for the semi-annual interest due on Municipal Improvement District No. 3, of the City of Glendale Bond, No.....
(Number of bond to which coupon is attached), this coupon being payable exclusively from taxes levied upon the taxable property of said district.

.....
Treasurer of the City of Glendale."

Section 3—That the Mayor and Treasurer of said City of Glendale are hereby authorized and directed to sign all of said bonds, and the City Clerk of said City is hereby authorized and directed to countersign said bonds and said bonds shall be delivered by said City Clerk to said Treasurer in such amounts as the Council of said City may from time to time designate; and said Treasurer is hereby authorized and directed to sign all of the interest coupons of said bonds by his lithographed or engraved signature.

That the proceeds of the sale of said bonds shall be placed in the Treasury of said City of Glendale to the credit of a fund to be known as "Municipal Improvement District No. 3 of the City of Glendale Fund," and shall be applied exclusively to the purposes mentioned in this ordinance, to-wit: For the purpose of acquiring and constructing works for the collection and disposal of sewage from said district including the acquisition of lands, easements, and rights of way, and the construction of pipe lines, manholes, flushtanks, septic tanks, cesspools and other works and appurtenances necessary for such purpose.

Section 4—That for the purpose of securing and providing for the payment of the principal and interest of said bonds, there is hereby created a fund in the Treasury of said City, to be known as "Municipal Improvement District Number 3, of the City of Glendale Bond, Interest and Sinking Fund." That all the money which from time to time shall be placed in said fund shall be, and is hereby, set apart exclusively for the purpose of meeting all sums coming due for principal and interest on all of the aforesaid bonds which may be issued under the proceedings hereinbefore recited. That for the purpose of paying the principal and interest of said bonds, the Council of the City of Glendale shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy upon taxable property of said district, and collect annually each year, until such bonds are paid or until there shall be a sum in the Treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on said bonds, a tax sufficient to pay the interest on said bonded indebtedness as it falls due, and also to constitute a sinking fund for the payment of the principal thereof on or before maturity. Said tax shall be in addition to all other taxes levied for municipal purposes and shall be collected at the same time and in the same manner as other municipal taxes are collected, and forthwith as collected shall be turned over to and paid into the treasury of said City and placed in the said "Municipal Improvement District Number 3, of the City of Glendale, Bond and Interest Sinking Fund," and be used for no other purpose than the payment of the principal and interest on said bonds.

Section 5—Ordinance No. 437 of the City of Glendale, passed by the Board of Trustees on the 7th day of April, 1921, and entitled: "An Ordinance of the City of Glendale providing for the Issuance of Fifty Thousand ($50,000.00) Dollars Bonds of Municipal Improvement District No. 3 of the City of Glendale, authorized by the Voters of said District at a Special Election held on March 10, 1921, for the purpose of acquiring and Constructing Works for the Collection and Disposal of Sewage from said District Including the Acquisition of Lands, Easements, and Rights of Way, and the Construction of Pipe Lines, Manholes, Flush Tanks, Septic Tanks, Cesspools and Other Works and Appurtenances necessary for Such Purpose," is hereby repealed.

Section 6—The City Clerk shall certify to the passage of this Ordinance by the Council, and cause same to be published once in the Glendale Sentinel-Progress, a weekly newspaper published and circulated in said city.

Passed this 4th day of August, 1921, by the Council of the City of Glendale.

SPENCER ROBINSON,
Mayor of the City of Glendale.
Attest: J. C. SHERER,
City Clerk of the City of Glendale.

State of California, County of Los Angeles, City of Glendale, ss.:

I, J. C. Sherer, City Clerk of the City of Glendale, hereby certify that the foregoing Ordinance was adopted by the Council of the City of Glendale at a regular meeting thereof held on the 4th day of August, 1921, by the Council of said City, by the following vote:

Ayes—Davis, Kimlin, Lapham, Robinson, Stephenson.
Noes—No.
Absent—No.

J. C. SHERER,
City Clerk of the City of Glendale.

ORDINANCE NO. 462

AN ORDINANCE OF THE CITY OF GLENDALE PROVIDING FOR THE ISSUANCE OF THIRTY THOUSAND ($30,000) DOLLARS BONDS OF MUNICIPAL IMPROVEMENT DISTRICT NO. 4, OF THE CITY OF GLENDALE, AUTHORIZED BY THE VOTERS OF SAID DISTRICT AT A SPECIAL ELECTION HELD ON APRIL 26, 1921.

Whereas, In pursuance of an act of the Legislature of the State of California, hereinafter mentioned, and amendments thereof, and of Resolution No. 1180 of the City of Glendale, passed on the 7th day of April, 1921, a special election was duly held in that certain territory contained within the boundaries of proposed Municipal Improvement District Number 4 of the City of Glendale, particularly described in said Resolution, upon the following proposition, duly and regularly submitted to the qualified electors of said district at such election, to-wit:

"Shall that certain proposed Municipal Improvement District known as Municipal Improvement District No. 4 of the City of Glendale, incur a bonded debt of $30,000.00 for the purpose of acquiring and constructing of works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, ease-

MINUTES OF CITY COUNCIL

Following are the minutes of the City Council, in session last night, as prepared by City Clerk J. C. Sherer:

Council assembled at 7:55 p. m., all members present. Minutes of the regular meeting of July 28 were read and approved.

Sewer Pipe

Councilman Kimlin made a motion which was duly seconded and adopted all voting aye, that the city engineer be instructed to include vitrified sewer pipe for the business district.

Councilman Stephenson explained that he was voting in favor of this with the understanding that it applied to the sewering of the business district only, and not to general sewer work in the city.

Applications for Permits

Application was received from D. G. Cornalino for permission to install and mainain pump and gasoline tank on lot, corner Grand View avenue and San Fernando road. On motion same was granted.

Peter L. Ferry made application for permit to do street work by private contract on Salem street and Wilson avenue, east of Kennilworth avenue. Same being approved by the street superintendent, was granted.

Mrs. W. C. Witte made application for permit to do street work by private contract at 1121 East Wilson avenue. Same being approved by the street superintendent was on motion granted.

A. P. Offutt made application for permit to install and maintain a 500-gallon gasoline storage tank at 101 South Central avenue and same being approved by the city manager was on motion granted.

Gus A. Rapp made application for permit to sell milk at 1152 East California street, same being approved by the sanitary inspector, was on motion granted.

Report of Police Judge

Report of the police judge for the month of July was presented, showing receipts for that department, amounting to $1013.50. Ordered filed.

Communication to P. S. McNutt

A communication was presented from P. S. McNutt under date of August 1, 1921, in regard to proposed annexation of Sierra avenue district, making suggestions as to what, in his opinion, should be done to supply that section with water.

Street Improvements

The city manager submitted a communication in regard to improvement of Doran, Everett and Geneva streets and Lexington drive, proceedings for which were ordered some time ago, and have been partly prepared. It is stated in the communication that the manager had taken up with the trustees of the school district the question of assessment of the school property for this improvement, which is estimated will amount to $3,600.

The board of education, however, stated, owing to the rapid increase in school attendance caused by the recent growth of Glendale and the increase in the cost of maintaining the schools, it would be impossible to add to this year's budget a sum sufficient to meet the assessment for street improvement.

The city manager recommended that the Doran street school property be eliminated from the improvement district in this connection, and that one-half of the roadway of Doran, Everett and Geneva streets upon which this property fronts be also eliminated from the improvement proceedings.

It was suggested in the communication that if improvement is adopted roadways next to the school property may be oiled temporarily. On motion of Councilman Stephenson, the communication was ordered to be filed and put on the calendar to be taken up at the next regular meeting.

Improvement Orange Street

In a communication to the city council the city manager recommended that the improvement of Orange street between Lexington drive and Milford street be proceeded with without delay, and that the improvement consist of a 3-inch macadam roadway.

On motion of Councilman Stephenson communication was ordered to be filed and placed upon the calendar to be taken up at the next regular meeting.

Resurfacing Glendale Avenue

In a communication to the council the city manager called attention to the necessity for resurfacing that portion of Glendale avenue which had been broken up for the installation of the 30-inch pipe main. He estimated that the cost of this work would amount to $1,528, and recommended that same be appropriated from the water bond fund and that authority be given the public works department to do the work.

On motion of Councilman Stephenson, duly seconded, it was ordered that the sum of $1,528 be appropriated from the water bond fund for the purpose of resurfacing Glendale avenue by roll call.

Widening Brand Boulevard

The city manager presented a report on the widening of Brand boulevard at San Fernando road in which it was stated that the matter had been taken up with the board of education and the Pacific Electric Railway company as to securing easements for street purposes that are required over a portion of the Cerritos avenue school grounds and Pacific Electric right of way; and that both of these easements would be granted without delay.

On motion of Councilman Stephenson the city engineer was instructed to prepare an ordinance establishing the grade of this portion of Brand boulevard.

Fire House No. 2

In regard to the employment of an additional fireman for Fire District No. 2, the city manager reported that arrangements had been made by which Fire Chief Lankford will live for a time at Fire Station No. 2, and that this arrangement with the additional fireman for this station to be put on the first of September will make it possible to maintain two firemen at this station continuously. Communication ordered to be filed.

Action Reconsidered

On motion of Councilman Stephenson, action taken at this meeting in regard to the resurfacing of Glendale avenue was ordered to be reconsidered. and a motion of Councilman Stephenson was adopted referring the matter back to the city manager with instructions for a new estimate, all voting aye.

Loan to Library Board

In a communication to the council the city manager stated that the library board will require a loan of $400 to cover a portion of their pay roll for the month of July, and recommended that the city treasurer be authorized to transfer from the general budget fund to the library fund the sum of $400 as a loan, the same to be returned some time during the month of December, next. On motion of Councilman Kimlin recommendation of the city manager was approved and transfer made by roll call.

Milk Ordinance to Be Amended

In a written communication the city manager recommended that ordinance No. 203 be so amended as to provide the same regulation for the sale of goats' milk as is now provided for the sale of cows' milk.

On motion of Councilman Stephenson, recommendation was approved and the city attorney instructed to prepare an ordinance amending the present ordinance.

Pipe Line in Grand View District

The city manager submitted a report in regard to application of Hamlin and Hepburn for water service for tract No. 4198 in the Grand View district. He stated that he had taken the matter up with Mr. Hamlin and he agrees to lay a line of 2-inch pipe on Vine avenue to furnish the frontage of his tract on that street and to lay a line of 2-inch pipe on Raymond avenue to serve the frontage of his tract on that street. This plan being preferable to have line run along the rear of lot lines to serve this property inasmuch as this plan will involve a great deal of difficulty in the operation of the plant hereafter.

He recommended that action taken by the council at its previous meeting in regard to this matter be reconsidered, and motion of Councilman Stephenson was adopted that action taken by the council in regard to 4-inch pipe line in the Grand View district at the meeting of July 28, 1921, be reconsidered.

Motion of Councilman Stephenson was adopted that proposition of Hamlin and Hepburn to lay 2-inch pipe line as set forth in the communication to the city manager, be approved, all voting aye.

Sewer System

The city manager presented plans and specifications for installation of sewer trunk line in Municipal Improvement district No. 3, recommendation that if approved, the city clerk be instructed to publish notice asking for sealed proposals; the estimated cost of this installation being $31,296.57. On motion of Councilman Kimlin, plans and specifications for municipal improvement district No. 3 for sewer trunk line were adopted and the city clerk instructed to advertise for bids to be opened at 8 o'clock p. m., September 1, 1921, by roll call.

District No. 4

The city manager presented plans and specifications for laying of water distributing system in municipal improvement district No. 4, and on motion of Councilman Stephenson a resolution was adopted as Resolution No. 1228, as follows:

"A resolution of the city council of the city of Glendale adopting specifications No..... for Matheson joint pipe." By roll call.

On motion of Councilman Stephenson the city clerk was directed to advertise for bids for pipe as recommended by the city manager, bids to be opened, September 1, 1921.

Dedication of Dorothy Drive

The city manager presented a report in regard to Dorothy Drive, stating that certificate of title had been secured for lots A and B of Tract No. 2685 for street purposes as Dorothy Drive, and the same was submitted to the council together with quit claim deed, also check for $27.90 given for payment of cost of certificate of title and claims against these lots. Referred to the city attorney.

Grand View District

The city manager submitted a report in regard to service rendered by the city in the Grand View district since annexation. He reports further in detail the expenditures and efforts of the city in that district and on motion of Councilman Lapham, it was ordered that copy of the report be sent to Mr. Randall of the Grand View Improvement association. Communication ordered to be filed.

Applications for Positions

Several applications for the position of city engineer were presented to the council and referred to the city manager.

Ordinances Passed

The following ordinances previously presented to the council were adopted as follows: On motion of Councilman Lapham Ordinance No. 461, "An ordinance regulating and licensing the business of carrying passengers for hire in motor vehicles in the city of Glendale" was adopted by roll call.

On motion of Councilman Stephenson Ordinance No. 462, "An ordinance of the city of Glendale providing for the issuance of thirty thousand ($30,000) dollars bonds of municipal improvement district No. 4 of the city of Glendale, authorized by the voters of said district at a special slection held on April 26, 1921," was adopted by roll call.

On motion of Councilman Kimlin, Ordinance No. 463, "An Ordinance of the City of Glendale providing for the issuance of $50,000 bonds of Municipal Improvement District No. 3 of the city of Glendale, authorized by the voters of said district at a special election held on March 10, 1921," was adopted by roll call.

On motion of Councilman Davis, Ordinance No. 464, "An Ordinance providing for the making of searches of city records of the city of Glendale, and certificates of the results thereof, and for the collection of fees therefor," was adopted.

The city attorney prepared an ordinance "Declaring the growth or presence of certain weeds and waste materials on lots in the city of Glendale to be a nuisance and providing for the abatement thereof," was on motion of Councilman Davis read and ordered to be laid over.

Easements on Pipe Lines

The city attorney presented a deed to certain property for street purposes given by Nathaniel McClain, and on motion of Councilman Stephenson, same was ordered to be accepted and recorded.

Certain easements secured by the city manager for laying pipe lines, etc., were presented to the council.

A motion of Councilman Stephenson was adopted that easements from S. G. and Sarah Moyer, George D. Dair, M. A. Frine, Ruth Frine, Howard Lowdermilk, J. C. Person and George L. Person, S. S. Black, Laura A. Grover, be accepted and city clerk be instructed to have the same recorded.

For Sewer Purposes

Easements for sewer purposes were presented to the Council from Harry A. Sperl, from Pacific Electric Railway company and Goodno & Kent. Motion of Councilman Stephenson was adopted that same be accepted and signed by the proper officials of the city.

Easement given by George D. Stepper was referred back to the city manager to be acknowledged before a notary.

Form Adopted

On motion of Councilman Stephenson, form of easement for sewer purposes was adopted and ordered to appear on the minutes.

On motion of Councilman Stephenson form given by City Building company was referred to the city manager to have same made to conform with the form just adopted by the council.

Patterson Avenue

The city attorney presented a communication to the council in regard to opening of Patterson avenue in which it was stated that after action had been brought and service had been had upon the defendants one of them had filed an answer in which he alleged that the description of the land to be taken as given in ordinance of in intention, did not definitely describe the property to be taken.

He had consulted with the city engineer and other engineers in regard to the matter and the conclusion is that description is defective. Under the circumstances he recommended that the proceedings heretofore taken in regard to the opening and laying out of Patterson avenue under ordinance of intention, No. 384," was presented by Councilman Stephenson and ordered to be read and laid over.

Leave of Absence

It was ordered that the city attorney's leave of absence be extended one week. Adjourned.

Fire Chief Lankford Will Change Residence

T. W. Watson, city manager, reported to the city council last night as follows, relative to additional firemen for fire district No. 2, which is located in South Glendale:

"Arrangements have been made whereby Fire Chief A. H. Lankford will live for a time at apartments that have been prepared at small expense at Fire Station No. 2. Mr. Lankford will thus be available for service at this station evenings and will be on duty as usual at Station No. 1 in the day time. This arrangement with the additional fireman for this station that will be put on the first of September, will make it possible to maintain two firemen at this station continuously."

Young Business Men Sell It; Ice Cold

"It's ice cold and only costs a nickle, a half a dime.

"Have one Mister?"

On every street corner comes the call of the small urchin who has established himself in business here.

Lemonade and orange ade by the barrel is being purveyed the thirsty these warm days, if the business is as good as the boys make believe.

Many a mother has missed her favorite mixing spoon and the sugar bins have been materially depleted by the energetic youngsters and more than one set of glassware has been broken.

It's a great life, boys!

PATTERSON AVENUE OPENING HALTED; FIND ERRORS

Proposed Improvement Can't Proceed, Is Decision of City Attorney Shaw

(Continued from Page 1)

tion for the opening of a street shall definitely describe the land to be taken so that the same can be identified and that the assessment district shall be described in a like manner and a failure in either of these respects would render the whole proceedings void.

Impossible of Location

"The ordinance of intention in this case is No. 384. There are a number of defects therein, but some of them could be ignored as not being sufficient to invalidate the proceedings. However, the description of the third parcel of land to be taken appears to be wholly uncertain. A certain curve included in that description with a radius of 4589.83 feet is stated to be concave northwesterly, whereas it should be concave northeasterly. If all other parts of the description were correct they would probably show the true location of the curve, but the description also fails to show the length of this curve, and there is an error in stating the point of ending of the line of which this curve is a part, so that the same is said to be 320.86 feet easterly along the center line of San Fernando road from the intersection with the center line of Grand View avenue, whereas, said distance should be made westerly from the point of intersection.

In the opinion of the engineers, this renders the description impossible of location.

Jumps Fourteen Feet.

"In the description of the assessment district there is an error at the south line of Lot 5, Block 11, of the Glendale Boulevard Tract whereby the line makes a jump over a space of fourteen feet without anything to indicate how or along what line this jump is to be made. There is also some confusion in one of the courses of the description of the assessment district as to whether it runs along the San Fernando road or along the westerly line of the Southern Pacific right of way where the two separate at the Glendale city pumping plant. Perhaps the description could be so construed as to locate it on one or the other, but of this I do not feel sure. At any rate, the failure to give a line for one part of the boundary would seem to be fatal to the ordinance. An uncertainty in the description of the assessment district for the street opening was held to invalidate the assessment thereafter levied for the opening in the case of Walker v. city of Los Angeles, 23 Cal. App 634.

"It does not seem to me wise to proceed further with this opening in view of the above mentioned defects. I can see no escape from the conclusion that the assessment to be levied will be void. It is quite probably also that the defendants, on interposing these matters of defense, would succeed in defeating the condemnation. It would, therefore be advisable to abandon the present proceedings and that new proceedings to be commenced with a sufficient description. I submit herewith an ordinance for the purpose of abandoning said present proceedings.

"Your very truly,
"HARTLEY SHAW,
"City Attorney".

City Will Regulate Sale of Goat's Milk

Sale of goat's milk within the city of Glendale is increasing to such an extent that thte City Council proposes to amend the present ordinance regulating the sale of cow's milk so as to include the regulation of the sale of goat's milk.

The action was taken at the meeting of the council last night on the following recommendation of T. W. Watson, city manager.

"City Health Officer Dr. J. E. Eckles reports that there are a large number of people engaged in the sale of goat's milk within the city of Glendale and as matters now stand there is no ordinance regulating the sale of the same. I would therefore respectfully recommend that Ordinance No. 203 be so amended as to provide the same regulation for the sale of goat's milk as is now provided for the sale of cow's milk."

ODD FELLOWS IN SESSION

Fifteen visitors from various lodges throughout the east were present last night at the regular weekly meeting of the local organization of Odd Fellows. The main business of the gathering was to complete plans for the banquet that will be served at the lodge hall on next Thursday evening.

The event, which will be the largest gathering of Odd Fellows in the San Fernando valley within the past year, is expected to be attended by 300 members. Representatives from Burbank, San Fernando and Van Nuys will be present.

If angels fear to tread where fools rush in, they should use their wings.

ORDINANCE NO. 462

(Continued from Page 11)

ments, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose," and

Whereas, According to the returns of such special election as canvassed by the Board of Trustees of the said City of Glendale on May 2, 1921, the result of which canvass was then and there ascertained and entered according to law, more than two-thirds of all the voters voting at said election did vote in favor of incurring the bonded indebtedness as described in said propositian so submitted at said special election, thereby authorizing and empowering the issuance of bonds of said district for the amount of $30,000.00 for the purposes aforesaid, payable out of the funds of said district, to be provided as in said Act prescribed, and

Whereas, The public interest and necessity of such Municipal Improvement District No. 4 of the City of Glendale demand that said $30,000.00 bonds of such district be issued and sold at the earliest practicable date for the purpose of providing funds for the aforesaid improvement;

Now, Therefore, Be it ordained by the Council of the City of Glendale:

Section 1. That bonds of said Municipal Improvement District Number 4 of the City of Glendale be issued in accordance with an Act of the Legislature of the State of California, entitled: "An Act to provide for the formation of districts within municipalities for the acquisition or construction of public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements, and for the acquisition or construction of such improvements," approved April 20, 1915; and amendments thereof; that said bonds shall be thirty (30) in number, numbered one (1) to thirty (30) both inclusive, and shall each be designated "Municipal Improvement District Number 4 of the City of Glendale, Bond"; said bonds shall be of the denomination of One Thousand ($1000) Dollars each, and the princpal and interest of each and all of said bonds shall be payable in lawful money of the United States; they shall be dated September 1, 1921, and shall bear interest at the rate of six (6%) per centum per annum, payable semi-annually on the 1st day of March and the 1st day of September of every year. The Council of the City of Glendale hereby fixes September 1, 1931, as the date for the earliest maturity of the principal of any of said bonds, and said bonds shall be payable in the manner following:

Bond numbered 1, September 1, 1931.
Bond numbered 2, September 1, 1932.
Bond numbered 3, September 1, 1933.
Bond numbered 4, September 1, 1934.
Bond numbered 5, September 1, 1935.
Bond numbered 6, September 1, 1936.
Bond numbered 7, September 1, 1937.
Bond numbered 8, September 1, 1938.
Bond numbered 9, September 1, 1939.
Bond numbered 10, September 1, 1940.
Bond numbered 11, September 1, 1941.
Bond numbered 12, September 1, 1942.
Bond numbered 13, September 1, 1943.
Bond numbered 14, September 1, 1944.
Bond numbered 15, September 1, 1945.
Bond numbered 16, September 1, 1946.
Bond numbered 17, September 1, 1947.
Bond numbered 18, September 1, 1948.
Bond numbered 19, September 1, 1949.
Bond numbered 20, September 1, 1950.
Bond numbered 21, September 1, 1951.
Bond numbered 22, September 1, 1952.
Bond numbered 23, September 1, 1953.
Bond numbered 24, September 1, 1954.
Bond numbered 25, September 1, 1955.
Bond numbered 26, September 1, 1956.
Bond numbered 27, September 1, 1957.
Bond numbered 28, September 1, 1958.
Bond numbered 29, September 1, 1959.
Bond numbered 30, September 1, 1960.

Section 2. That the form of said bonds shall be substantially as follows:

"No..... $1,000.00

UNITED STATES OF AMERICA
State of California
City of Glendale
Municipal Improvement District Number 4 of the City of Glendale, Bond."

Under and by virtue of an act of the Legislature of the State of California entitled: "An Act to provide for the formation of districts within Municipalities for the acquisition or construction of Public Improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements; and for the acquisition or construction of such improvements," approved April 20, 1915, and amendments thereof, Municipal Improvement District Number 4 of the City of Glendale, in the City of Glendale, State of California, promises out of the fund hereinafter described, to pay the bearer on the 1st day of September, 19....., (year of maturity) the sum of One Thousand Dollars, with interest thereon at the rate of six (6%) per centum per annum, payable semi-annually on the 1st day of March and the 1st day of September of each year, upon presentation and surrender of the interest coupons hereto attached; both principal and interest payable in lawful money of the United States, at the office of thte Treasurer of the said city of Glendale. The principal and interest of this bond are payable exclusively out of taxes levied upon the taxable property in said Municipal Improvement District Number 4 of the City of Glendale, and neither the City of Glendale, nor any officer thereof, is holden for the payment thereof otherwise. It is hereby certified that all requirements of the constitution and laws of the State of California and ordinances of said City of Glendale have been fully complied with by the proper officers in the issuing of this bond; that this issue of bonds has been authorized by a two-thirds vote of the duly qualified voters of said district voting on the question of such issue at a special election duly and regularly called and held in said district on April 26, 1921, and that provision has been made for the collection of an annual tax upon the taxable property of said district sufficient to pay the interest of this bond and the issue of which it forms a part, as said interest falls due, and also provision to constitute a sinking fund for the payment of the principal thereof at maturity.

In Witness Whereof, The Council of the City of Glendale, the governing authority of said Municipal Improvement District Number 4 of the City of Glendale, has caused this bond to be signed by the Mayor and Treasurer of the said City of Glendale, and countersigned by the Clerk of said City, and the corporate seal of said City to be hereto affixed, and the interest coupons hereto attached to bear the fac-simile signature of said Treasurer, on this first day of September, A. D., 1921.

.....
Mayor of the City of Glendale.

.....
Treasurer of the City of Glendale.
Countersigned by

.....
City Clerk of the City of Glendale.

That coupons consecutively numbered shall be attached to each of said bonds for the interest accruing thereon, and said coupons shall be substantially in the following form, to-wit:

"$.....
Glendale, Cal.,
September 1, 1921.

On the first day of.....(month of maturity), A. D., 19..... (year of maturity), Municipal Improvement District No. 4 of the City of Glendale, in the City of Glendale, County of Los Angeles, State of California, will pay to the bearer at the office of the Treasurer of the City of Glendale, the sum of Thirty Dollars ($30.00) in lawful money of the United States, for the semi-annual interest due on Municipal Improvement District No. 4 of the City of Glendale Bond, No..... (number of Bond to which coupon is attached), this coupon being payable exclusively from taxes levied upon the taxable property of said district.

.....
Treasurer of the City of Glendale."

Section 3. That the Mayor and Treasurer of the City of Glendale are hereby authorized and directed to sign all of said bonds, and the City Clerk of said City is hereby authorized and directed to countersign said bonds and said bonds shall be delivered by said City Clerk to said Treasurer in such amounts as the Council of said City may from time to time designate; and said Treasurer is hereby authorized and directed to sign all of the interest coupons of said bonds by his lithographed or engraved signature.

That the proceeds of the sale of said bonds shall be placed in the Treasury of said City of Glendale to the credit of a fund to be known as "Municipal Improvement District No. 4 of the City of Glendale Fund." and shall be applied exclusively to the purposes for which the same were voted, to-wit:

The acquisition and construction of works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe-lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose.

Section 4. That for the purpose of securing and providing for the payment of the principal and interest of said bonds, there is hereby created a fund in the Treasury of said City to be known as "Municipal Improvement District Number 4 of the City of Glendale, Bond Interest and Sinking Fund." That all the money which from time to time shall be placed in said fund shall be, and is hereby set apart exclusively for the purpose of meeting all sums coming due for principal and interest on all of the aforesaid bonds which may be issued under the proceedings hereinbefore recited. That for the purposes of paying the principal and interest of said bonds, the Council of the City of Glendale shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy upon the taxable property in said district, and collect annually each year, until such bonds are paid or until there shall be a sum in the Treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on said bonds, a tax sufficient to pay the interest on said bonded indebtedness as it falls due, and also to constitute a sinking fund for the payment of the principal thereof on or before maturity. Said tax shall be in addition to all other taxes levied for municipal purposes and shall be collected at the same time and in the same manner as other municipal taxes are collected, and forthwith as collected shall be paid into the

La Crescenta Notes

One of the most brilliant affairs of the mid-summer was the garden fete which took place at the "Hi-Up" Ranch, the home of Mr. and Mrs. Harvey S. Bissell, last Saturday afternoon. Features of the elaborate entertainment included an Hawaiian orchestra, a fortune tellers booth, presided over by Mrs. E. Swedabouge, a fish pond in charge of Miss Eunice Bissell and Master Frank Anderson of Chicago. The tea table was most attractive and was presided over by Mrs. F. H. Anderson, Mrs. Seymour Thomas, Mrs. F. Minford and Misses Jessie Conlan, Prudence Vergie and Margaret Hunt. Mrs. N. C. Collins, Douglas McLaughlin and Dick Hodges of Altadena were in charge of the ice-cream booth; Mrs. J. S. Conlin, Mrs. Harriett Bastable, Miss Delia Bastable, Mrs. A. W. Brown and Mrs. E. N. Nettleton served coffee and waffles; Mrs. C. E. Culberson served punch and the candy booth was in charge of Miss Janet Culberson, Miss Loraine Czerniski, T. Minford and Dean Culberson. Others assisting Mr. and Mrs. Bissell were Mrs. J. Erwin, Mrs. A. Aiken, and Roberta Vergie.

A splendid program during the afternoon included numbers by the talented baritone, Lawrence Tibett, dances by Victoria Vergie and "La Marseillaise" sung by Dorothy Tooter. In the contests Miss Dorothy Patton was the fortunate winner of the doll and Miss Drenner of a beautiful embroidered blouse.

Among the out of town guests were Mrs. Eldridge Fowler, Mrs. William Roberts, Mrs. E. Pitcairie, Misses Betty Thompson and C. Hull of Pasadena, Mrs. Robert Fowler, and children of San Francisco, Mrs. Elizabeth Hull, Mrs. Ola Sutton, Mrs. T. C. Stevens of Los Angeles, Mrs. C. D. Criets and Miss Ethel Dewey of Chicago, Misses Ethel Hunsel and Marjorie Helmer of Oklahoma, Mr. and Mrs. George Pardee of Hollywood.

The proceeds of the affair will go to the building fund of the La Crescenta Woman's Club and for the care of the club's French orphan.

Mr. James Stewart of Eagle Rock is the guest of Mr. C. E. Culberson and family.

Mrs. Seymour Thomas assembled a group of friends for tea last Sunday, among them Mr. and Mrs. H. S. Bissell and their house guests, Miss Margaret Hunt of the Ojai Valley and Mrs. Bissell's brother, Douglas McLachlen, Dr. and Mrs. Richard Dewey of La Canada, Miss Ethel Dewey of Chicago, Mr. and Mrs. Jack MacFarland of South Pasadena, Mrs. E. Mills and Mrs. C. Wilmer of Virginia.

Mrs. E Tyrell and daughter, who motored from San Antonio, Texas, to California are guests of Mrs. Mary Anderson of La Crescenta Hotel.

Mrs. Lora Henion Sutherland has leased the property formerly known as the Fairview Hotel and more recently as Valley View Inn and will open a boarding school for boys and a day school for girls and boys, in September.

Mrs. H. A. Baldridge, who has been ill and is recuperating in a sanitarium in Pasadena, is reported as much improved.

Mr. Ted Burkey left Sunday for Sacramento for a few weeks' stay.

One of the attractive features of the dance to be given by the La Crescenta Woman's Club next Saturday night, August 13 will be the appearance of "Baby Vonda Phelps, the Miniature Pavlowa" in classical dances created especially for her.

MAKES REPORT ON WORK IN GRAND VIEW DISTRICT

City Manager Writes About Number of Improvements Since Annexation

Service rendered the Grand View district since the annexation of that district to the city of Glendale was discussed at the meeting of the City Council last night in the following communication submitted by T. W. Watson, city manager:

"In view of the statements made to your council last meeting by J. H. Randall of the Grand View District that none of the promises made to the people of that section by city officials except the planting of a few trees by the forestry department had been fulfilled, I deem it essential that you have before you the following facts:

"Immediately upon the annexation of that district to the city of Glendale the electrical distributing system therein owned by the city of Burbank was purchased by the city of Glendale for the sum of $1,290.96 and the commercial lighting system of the city extended to the district. Extensions to this system have been made since which brings the tatal amount invested there by the city of Glendale in the electrical distributing system to $7,794.11 including one extension that is now being installed. There have been installed thirty-three street lights; other street lights will be installed as soon as new circuit regulator is in place.

Heavy Investment Made.

"There has been invested by the city of Glendale in improvements to the water system that will directly serve that district and furnish an abundance of water therefor the sum of $61,700. Without these investments the district would have no prospect as matters now stand of a water supply. We have personally attended six or eight meetings in the district presenting plans whereby this water supply might be made available to the entire district, the result of which has been that the district has now bonds available in the sum of $30,000, for a complete distrubting system for the entire section. Plans and specifications for this have been ready for some time awaiting the completion of the bond proceedings.

"Five fire hydrants have been installed along the mains that are already in and twenty-five others are included in the plans for distributing system just mentioned.

Relative to Roads.

"As to roads—San Fernanado road is paved throughout the district and in good condition as is Grand View avenue and Tenth street. Vine avenue has been oiled and graveled by the county from San Fernando road to Sixth street. Repairs have recently been made in this roadway and upon inspection last Friday morning I found it in splendid condition. Sixth street from Grand View avenue its entire length through the district has been graded and the center sixteen feet oiled by the city at a cost of $690.

"The city does not usually improve roadways in this way, but it was felt advisable to do this inasmuch as the city was not in a position to go ahead with street improvement plans in this district at that time. Winchester and Justine avenues have not been paved in any way and are not in satisfactory condition; they cannot be kept so without they be at least oiled. This the city has not the funds to do. The chuckholes however have been filled with earth and are now being refilled with oiled gravel.

Grades of Streets.

"The city engineer has been engaged for some weeks past in running levels and preparing profiles for the establishment of the official grades of all the streets in that section. This work when completed will cost several hundred dollars and is necessary before any street improvements can be made within the district. These grade ordinances will be presented to your council within two or three weeks.

"A large number of street trees have been planted on a number of the main streets in the district. This has been done with the assistance and cooperation of the property holders.

"As to garbage collection: Sanitary Inspector has canvassed the whole district and reports that there are only two residents there desiring garbage collection and that arrangements have been made whereby garbage is taken care of by neighbors. A regular route has been established for the gathering of tin cans and waste matter. The first round was made on the 11th of July.

"I personally inspected the entire district last Friday morning and found no tin cans or waste matter set along the roadways for collection. I instructed Sanitary Isnpector P. G. Wells to investigate once more the matter and he reports that the arrangements as above stated are working out satisfactorily and that he finds no complaint in the district in regard thereto".

On motion of Councilman A. H. Lapham a copy of the communication was ordered sent to Mr. Randall.

City Council Still Considers Candidates for Municipal Places

A city manager was not chosen at the meeting of the city council last night, nor was a city attorney. Further, the matter of selecting the two officials is now as it was at the beginning. In other words, the council is still considering the qualifications of those who have applied for the two positions, inlcuding T. W. Watson and Hartley Shaw, city manager and city attorney, respectively, incumbents, and who, under the charter, remain in office until they or their successors are appointed.

As the council was adjourning last night Councilman S. A. Davis declared:

"I regret exceedingly that unwarranted and garbled publicity has been given by some newspapers to the city manager matter. I wish it distinctly understood that no other member of this council is authorized to speak for me. I am in no combination. When a statement is to be made, I will do my own talking; no one is authorized to speak for me. My understanding is that we are considering the qualifications of the candidates for the appointive offices; that no choice has been made; that the candidates will be accorded personal interviews and that a complete investigation will be made. Further, speaking for myself, I do not want city employes to get the impression that everything is settled and that all of them now remain in their jobs. On the contrary, as I understand it, nothing is settled and we are open to still further consideration of candidates."

"Exactly!" exclaimed Councilman A. H. Lapham. "For my part, no agreement has been reached on any candidate; we are still studying their qualifications and are receiving new applications."

Investigation Continues

"We are proceeding as under our advertisement in The Evening News of some weeks ago," pointed out Councilman C. E. Kimlin. "That is, we asked candidates to submit their applications; they have done so; we are considering them and, I hope, will, finally, act for the best interests of Glendale in making our choice."

"That's it," agreed Councilman Dwight W. Stephenson. "We have agreed on nothing except to investigate the qualifications of the candidates; the stories appearing in some of the papers are without foundation, as all of us know."

"Well, I know I've been misquoted by reporters," said Mayor Spencer Robinson. "The statements you gentlemen have just made are correct; no appointtments have been agreed upon; the positions are still open; we are considering the various candidates; we are proceeding under the lines officially announced at the beginning of the administration—that is, the positions are open as provided by the charter and applicants are welcome."

The council then adjourned to the committee of the whole for a further consideration of the written applications of candidates for city manager.

Miss Margaret Dick Will Wed In North

(Continued from Page 1)

uation Miss Dick has been engaged as musical instructor at the Hyde Park school.

One of the most pleasant and enjoyable of the several prenuptial fetes in which Miss Dick was the guest of honor was the recent outdoor luncheon and shower given by Mrs. Dr. B. Humphrey at her beautiful country home in La Crescenta. The gay affair was in the form of a double celebration, as the bride-to-be's wedding date has been set for Mrs. Humphrey's birthday.

Those who were the guests of Mrs. Humphrey were Miss Dick and her mother, Mrs. Samuel Dick, Mesdames Jennie Horrell, R. Simons and Clarence Smith; Misses Margaret Horrell, Cathrine Smith, Margaret Simons and Gladys Simons.

Money Is Transferred to Library as Loan

On recommendation of T. W. Watson, city manager, the City Council last night loaned the public library board the sum of $400, the recommendation being as follows:

"We are informed by library board that they will require a loan of $400 to cover a portion of their pay roll for the month of July.

"We would recommend that the city treasurer be authorized to transfer to the library fund the sum of $400 as a loan, the same to be returned some time during the month of December next. Both the general budget fund and the library fund will be insufficient to meet the demands thereon during the next three or four months. We will submit a statement more in detail to your council in regard to this matter within a short time and submit recommendations for financing these two funds during that period."

La Crescenta Notes

Mrs. Ola Sutton, Mrs. T. C. Stevens of Los Angeles and Mrs. Charles Clipinger of Sacramento, were luncheon guests of Mrs. E. N. Nettleton Wednesday.

Mr. and Mrs. F. H. Anderson of Montrose were hosts to the Tuesday Bridge Club this week. A guest table included their house guest, Master Frank Anderson of Chicago, Misses Janet Culberson, Sara and Jessie Conlin, Zella Dunlop and Dean Culberson. Mrs. Harriett Bastable and C. E. Culberson had high score and Miss Jessie Conlin scored high at the guest table. Mr. and Mrs. Anderson also entertained with a charmingly appointed dinner last Wednesday night. Among the guests were Mr. and Mrs. C. S. Thomas and sons, Mrs. Alva Thomas of Los Angeles and their house guest Master Frank S. Anderson of Chicago.

Misses Mildred and Doris Osman of Eagle Rock were guests of Miss Jessie Conlin Thursday.

The regular meeting of the La Crescenta Improvement Association was held at the school auditorium Thursday night. President F. K. Czerniski presided and there was an unusually large attendance. Reports were heard from a number of committees and new ones appointed. The association unanimously agreed to furnish and serve refreshments at the dance to be given by the La Crescenta Woman's Club August 13. Sercertary C. E. Culberson was ordered to write the City Manager of Glendale requesting that Glendale avenue be repaired.

New Touring Car by Ford? Nothing to It, So Officials Declare

Advices have been received by Jesse E. Smith of the local Ford agency from the Los Angeles branch, who in turn received their information from the main office at Detroit, that rumors which have been spreading to the effect that the Ford Motor Car Company is contemplating turning out a new turing car with new body design and new windshield and other features are entirely without grounds and that no such changes are contemplated.

The local agency received a carload of new touring cars yesterday and another carload today, both of which have already been sold. Another carload is expected next week and anyone wishing early deliveries should place their orders for cars immediately.
